

The background features a traditional Chinese ink wash style illustration. It depicts a serene landscape with misty, layered mountains in shades of grey and white. In the foreground, a calm body of water reflects the scene. On the left, there are two small pavilions on a shoreline. On the right, a fisherman in a conical hat stands in a small boat, holding a long pole. A large, solid orange circle is positioned behind the text, and thin, curved lines in a matching orange color frame the text on the right and bottom sides.

English Compulsory Course Unit 1 Courseware

目录

- Listening and Speaking
- Writing skills

01

Unit Overview

Theme Introduction

The theme of this unit is "Introducing Yourself and Your Family" It includes basic information about personal details, family members and households

The theme is designed to help students understand the importance of self introduction and communication with family members, as well as develop their language skills and social skills

Teaching objectives

Knowledge objectives

Students should learn to introduce themselves and their families in English, including personal details, family members, and households

Skill objectives

Students should be able to use English to communicate with others about themselves and their families

Effective objectives

Students should develop an interest in learning English and a positive attitude towards self-expression

Teaching Focus and Diversity

Teaching focus

The focus of this unit is on self introduction and family communication It includes the use of personal props, positive objectives, and basic presence structure

Teaching diversity

The main diversity in this unit is the students' layer of English language skills, which makes it difficult for them to express themselves in English Therefore, the teacher should focus on basic language skills and resource students to speak in English as much as possible

02

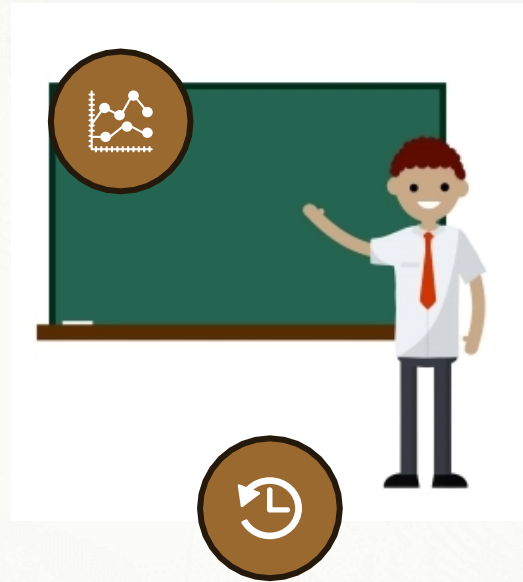

**Vocabulary and
Grammar**

New Vocabulary

Listening

students will learn 20 new words related to the topic of travel

Speaking

students will learn 10 new words related to the topic of travel

Reading

students will learn 30 new words related to the topic of travel

Writing

students will learn 20 new words related to the topic of travel

Grammar Focus: Review of Passive Voice

The passive voice is a grammatical structure that expresses the action of a verb in its passive form

The passive voice is formed by using the verb "to be" and the -ed form of the verb

The passive voice is used to emphasize the action more than the subject of the sentence

The passive voice is used to describe events that cannot be controlled or changed

The Application of Vocabulary

Listening

students will use the new words they have learned to understand English dialogues related to travel

Speaking

students will use the new words they have learned to express their opinions and experiences related to travel

Reading

students will use the new words they have learned to read English articles related to travel

Writing

Students will use the new words they have learned to write English compositions related to travel
