We don't have a hospital or a police station, but we have a doctor and a police officer. They live on the other side of the river.

We don't have a movie theater, but we can rent videos in the supermarket. If we want to go to a movie theater, we have to go to the next town. It is a 30-minute bus ride away. The bus stop is outside my house. I go to the movies with my mom every Saturday.
