2 Can you give some examples of famous self-publishing companies in the world?

Examples of famous self-publishing companies in the world may include:

Kindle Direct Publishing (KDP)

Owned by Amazon, KDP publishes and retails e-books that can be read on Kindle devices that have installed the Kindle app. About 80% of all English-language e-books occur via Amazon, and self-published titles alone account for 42% of this figure.

iBooks

Apple's iBooks is the second-biggest e-book retailer after Amazon. To publish directly on iBooks, you must have a Mac device.

Kobo

Kobo accounts for about 2% of total e-book sales. Like Kindle, Kobo offers an e-reader device as well as an app for reading on other devices. E-books published on Kobo are available to readers in over 190 countries.
