

摘要

教育包括“教书”和“育人”两个层面,这两个层面同等重要。人的行为、性格和智力在小学时期迅速发展,同时也是行为习惯、价值观和道德品质也在这个时期迅速形成。英语语言的学习只是小学英语教学的内容之一,在小学英语教学中进行价值观教育也很重要。从《英语课程标准(2011年版)》要求来看,将价值观教育与小学英语教学相结合是小学英语教学的任务之一。这对小学生的道德培育有着重要意义,也对英语教学能起着促进作用。在借鉴和参考已有研究的基础上,运用课堂观察法、案例分析法、访谈法等多种研究方法对小学英语教学中进行社会主义核心价值观渗透的依据进行了论述,对目前小学英语教学中社会主义核心价值观渗透的问题和对策进行了分析,为小学英语教学中渗透社会主义核心价值观提供参考,并进一步完善小学英语学科教学理论。

Infiltration of Socialist Core Values in Primary English Teaching

-- Take QX Primary School in Nanchang City as an example

Abstract

Education includes two levels: teaching and educating, which are equally important. Human behavior, personality, and intelligence developed rapidly during the primary school period. At the same time, behavioral habits, values, and moral qualities also formed rapidly during this period. English language learning is only one of the contents of English teaching in primary school. It is also very important to carry out value education in English teaching in primary school. From the perspective of the requirements of the English Curriculum Standard(2011 edition), combining value education with primary English teaching is one of the tasks of primary English teaching. This has important significance for the moral cultivation of primary school students, but also plays a role in promoting English teaching. On the basis of reference to the existing research, this paper discusses the basis of the infiltration of socialist core values in English teaching in primary school by using the methods of classroom observation, case analysis and interview. This paper analyzes the problems and countermeasures of the infiltration of socialist core values in primary English teaching, provides reference for the infiltration
