## 学写作思路，背精彩范文(人与社会——给山区居民拍照)

受好奇心的驱使，作者来到布伦库尔的一个偏僻村庄旅行，他被这里独特的生活所吸引，禁不住为这里的村民拍照……

## 精彩范文

Over the next 48 hours, I took 120 photographs for the 306 people of Bulunkul. First, it was mostly younger children that got involved. I would take a picture of one of them, and they would immediately run to grab their friends. However, before long, their parents and the other adults started getting involved as well. A few of them gestured to me that this was the first photo they had ever seen of themselves. As a tourist and photographer, that might just be the most impressive and meaningful thing.
