在原本... 发,又... 了出发... 的地方... 结束!  
得到的... 失去的... 的与... 错的... 的!  
一切... 无意义!  
我们本是微尘,点缀这世界,就落在世界...

A vibrant, cartoon-style illustration of a forest landscape. A large, multi-colored rainbow with sparkling stars arches across the top of the scene. A brown hawk with its wings spread is flying from the right towards the center. In the foreground, a small brown hedgehog stands on a green patch of grass. To the right, a small yellow and black bee is flying near a large pink flower with a white frog perched on it. The background features rolling green hills, purple mountains, and a large tree on the left with a hole in its trunk. The overall scene is bright and cheerful.
