

The background is a traditional Chinese ink wash painting. It depicts a vast landscape with layered, misty mountains in shades of green and blue. A calm body of water reflects the scene, with a small red boat and a lone figure in the lower left. Several birds are shown in flight across the sky, including two large white cranes with black wings and red heads in the upper right, and several smaller birds scattered throughout. A large, bright red sun is positioned in the upper left corner. The overall style is serene and atmospheric.
