Looking for
treasures
The journey
is filled
with
difficulty
and danger.
One task,
one point.
Altogether
you should
get **ten**
points.
Good luck,
boys and
girls!

Task 1

Reviewing useful phrases they've just learned

Once Sally developed a serious illness when she she was 30 years old. That was a tough time for her. She had to quit her job and went to the doctor. Because the doctor knew little about her illness, he turned to the large databases and found the treatment way for Sally. Now that the doctor could cure her, Shally picked back hope for the future again.
