The novel has told an interesting story:

1. The Bennets had a new neighbor called Bingley who was a wealthy bachelor and followed be the target of Mrs. Bennet.

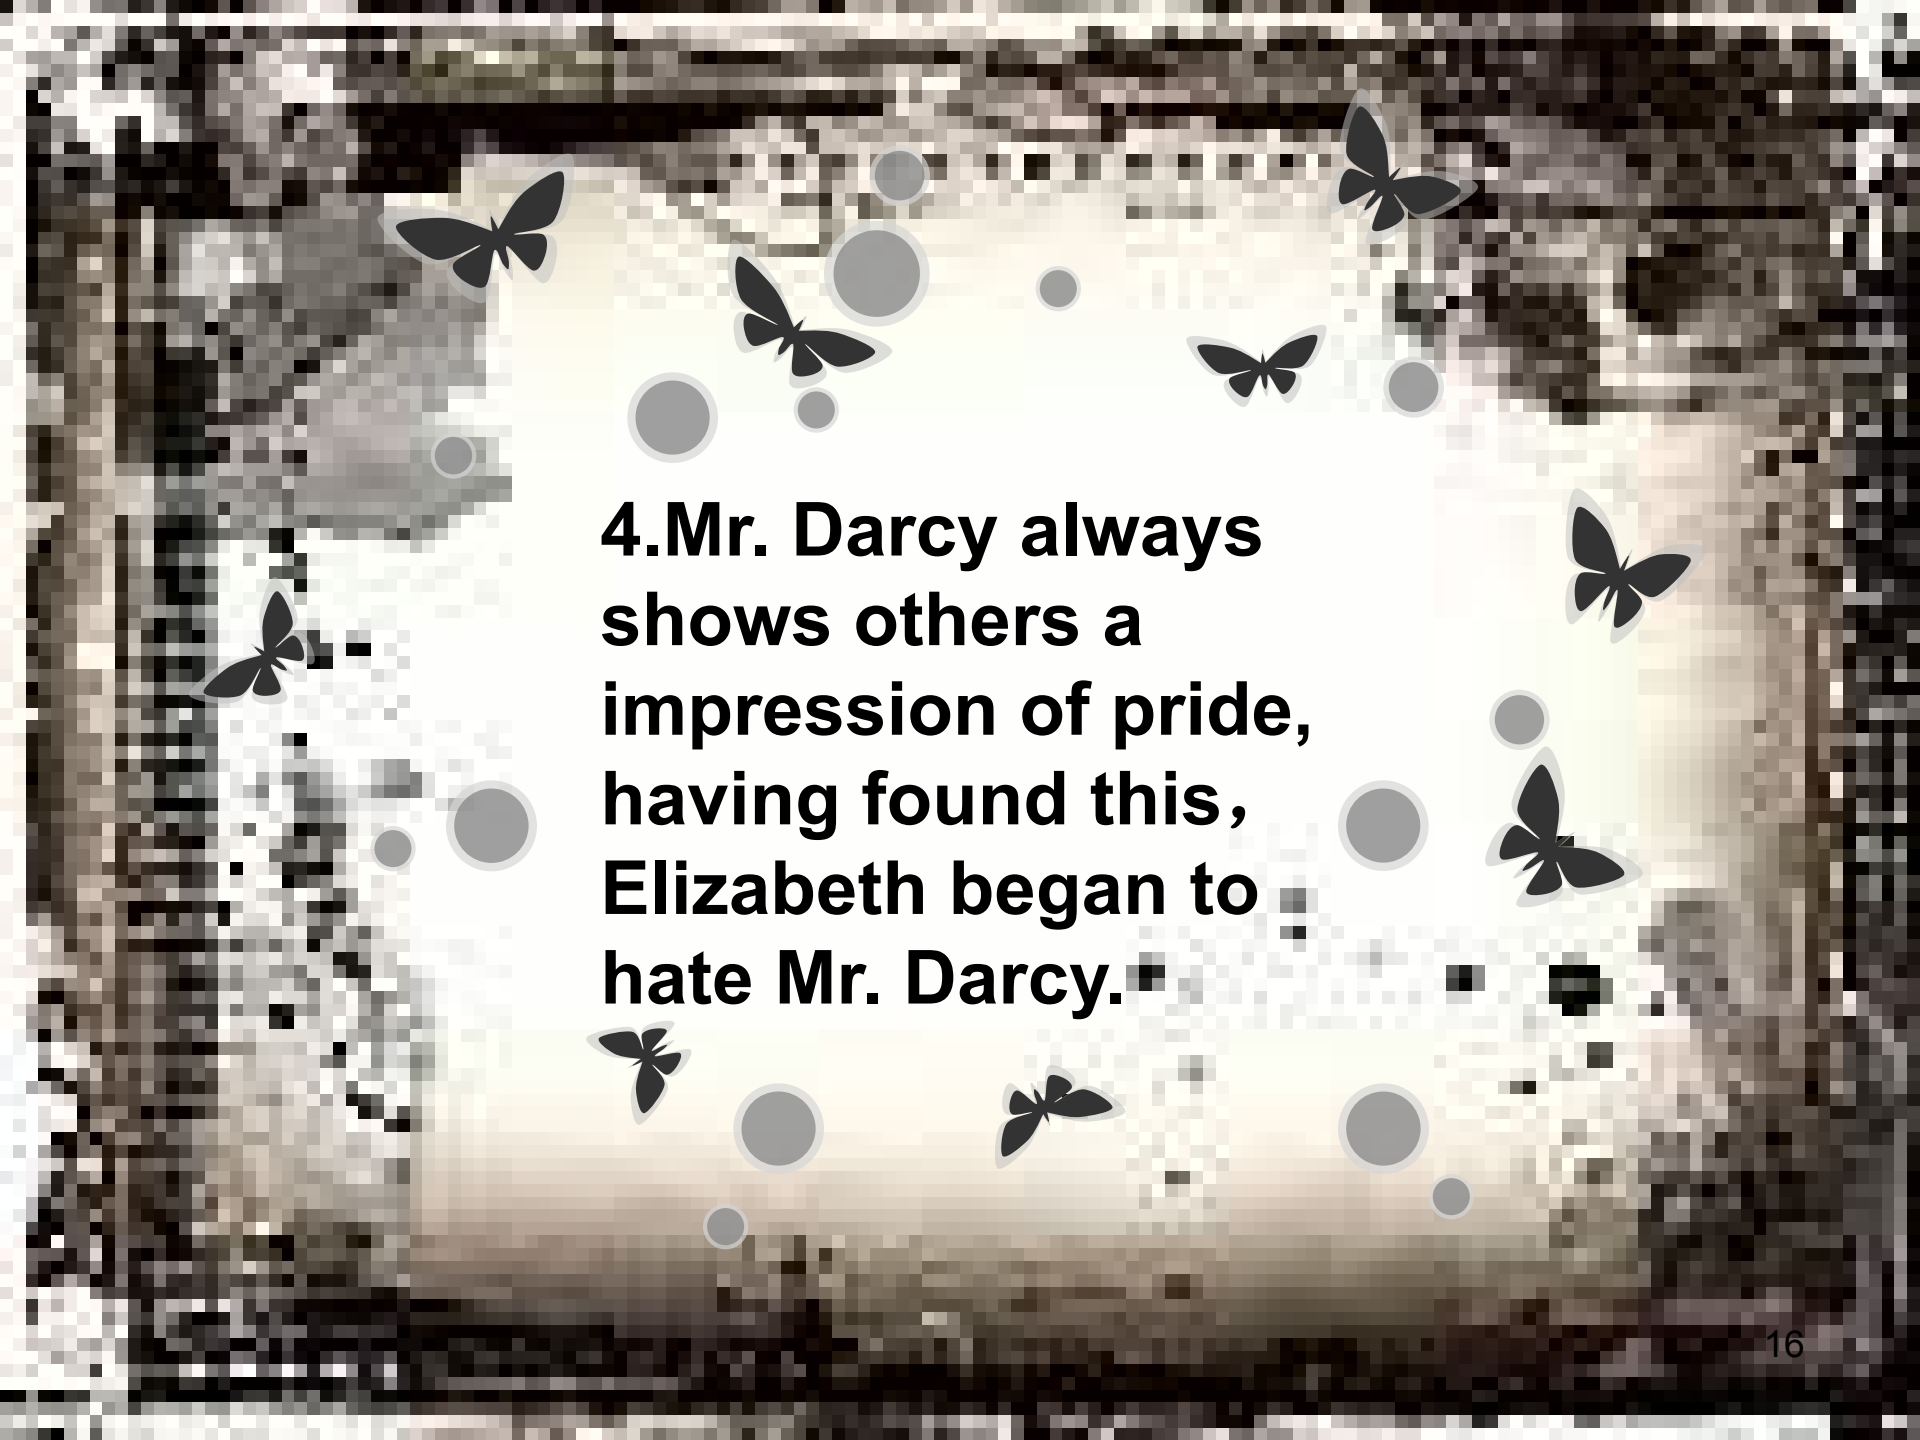

**2. At a ball
Bingley fell
in love
with Jane .**

3. Elizabeth meet Mr. Darcy for the first time.

The background features a light beige gradient with several dark grey butterflies scattered across it. There are also several dark grey circles of varying sizes, some with a lighter center, creating a decorative, bokeh-like effect. The overall aesthetic is clean and elegant.

4. Mr. Darcy always shows others a impression of pride, having found this, Elizabeth began to hate Mr. Darcy.
