四、单元作文。

假如你是李明，你所在初中向全校学生征集对健康问题的看法，请你写一篇英语短文投稿，内容包括：

1. 你的一次出现健康问题的**经历表现和原因**(可适当发挥)；
2. 对如何保持健康提出**两点建议**；
3. 对保持健康的感受或呼吁。

►谋篇布局 时态： 一般过去时、一般现在时

人称： 第一人称、第三人称

Everyone will get ill (生病) easily if they don't take their health seriously. **Take me as an example** (以我为例), **once** (曾经) I played computer games all weekend. Then I had a headache and I couldn't move my neck, which made me feel terrible. So I went to see a doctor. He said that I should lie down and have a rest. **From then on** (从那时起), I didn't play computer games for such a long time anymore and **realized** (意识到) the importance of keeping healthy.

So how can we keep healthy? **First**, we should do more exercise, **such as** running and swimming. **Second**, we should have healthy eating habits. I think it's important to drink more water, eat more fruit and vegetables. **Last**, we'd better get enough sleep every day.

Health is the very important to us. I hope we can live a healthy life and feel well every day. So let's take action to **develop good living habits** from now on!

1.分发 ; 散发 give/hand out

2.照顾 ; 非常喜欢 care for

3.推迟 put off

Helping others makes me happy

Everyone needs help,we also need others help.I think helping others makes me happy.

Last weekend, I volunteered at the old people's home with my classmates. After we arrived, we cleaned up^① the rooms for the old people. After that, we did many activities, such as^② singing, dancing and telling stories to cheer up^③ the old. Before we left, we gave presents to them.They were very happy.

I got such a strong feeling of satisfaction^④ when I saw the look of joy^⑤ on their faces. Because I learned how to care for^⑥ the old.

We got such a strong feeling of satisfaction^④ when we saw the look of joy^⑤ on their faces. We learned how to care for^⑥ the old.
