- ✓ write a memo and fill in a maintenance record.

● Getting Ready

● Listening

● Speaking

● Reading

● Writing

● Taking Action

● Do You Know

● Checking Progress

# Speaking

# Speaking

**1 Work with your partner and act out the following scenes.**

## **Situation 1**

*You(Student A) are an intern technician of a fridge manufacturing plant, and your partner(Student B) is an intern as an auto mechanic in an auto maintenance workshop. You have been practising for about two months. You have a lot to talk about concerning your internship experiences.*

# Speaking

**A:** Hi, how are you getting on with your work?

**B:** Hi, everything is going well. Our main job is auto maintenance.

**A:** What do you focus on?

**B:** At present, I focus on...

**A:** Oh, that's great! That type of maintenance can enable a machine to work well.

## Bank of Expressions
