9、Listen to the dialogue and choose the best answer to the question you hear. (录音材料说明：两位同学正在讨论他们最喜欢的科目)

录音内容：“A:What's your favorite subject?B:Well,Ilike history because it's interesting.What about you?A:I prefer art because I love drawing.”

Question:What are the two students talking about?

A.Their favorite sports.

B.Their favorite subjects.

C.Their favorite teachers.

Answer:B.Their favorite subjects.

Explanation:The dialogue clearly shows that the two students are discussing their preferences for different school subjects.One prefers history finding it interesting,while the other likes art due to a passion for drawing.

10、 Listen to the short passage and decide if the following statement is true or false. (录音材料说明：短文讲述了一位学生对于学校午餐的看法)

录音内容：“I think the food at our school canteen is really tasty.There are many options and I especially like the fresh fruits and vegetables they serve.”

Statement:The student thinks the food at the school canteen is not good.

Answer:False.

Explanation:The passage indicates that the student has a positive opinion about the food served in the school canteen,mentioning that it is tasty and appreciating the variety and the freshness of the fruits and vegetables.

Therefore,the statement that the student thinks the food is not good is incorrect.

11. You are listening to a conversation between a teacher and a student.

Teacher: Hi, Tom, how was your weekend?

Tom: Hi, Mrs. Smith. It was great! I went to the zoo with my family.

Teacher: That sounds fun. Did you see any animals you haven't seen before?

Tom: Yes, I saw a panda. It was so cute!

Teacher: Oh, pandas are my favorite. Do you think you could describe the panda to me?

Tom: Sure! It had a black and white coat, and it was eating bamboo.

Teacher: That's right. Pandas are herbivores. They mainly eat bamboo. What else did you do this weekend?

Tom: Well, we also went to the amusement park. I went on a roller coaster for the first time!

Teacher: Wow, that's exciting! Were you scared?

Tom: A little bit, but it was so much fun!

Question: What did Tom do with his family on the weekend?

A. They went to the amusement park.

B. They visited the zoo.

C. They went shopping.

D. They went to the movies.

Answer: B. They visited the zoo.

Explanation: In the conversation, Tom mentions that he went to the zoo with his family, so option B is the correct answer.

12. You are listening to a news report on the radio.

News Anchor: Good morning, everyone. I have some exciting news to share. According to the latest research, eating dark chocolate can improve cognitive function. The study found that participants who consumed dark chocolate regularly showed better memory and problem-solving skills.

Audience Member 1: That's fascinating! I love dark chocolate, so I might start eating more of it.

Audience Member 2: I heard dark chocolate is also good for heart health. It contains antioxidants and helps lower blood pressure.

News Anchor: Absolutely. Another interesting finding is that dark chocolate can help reduce stress levels. It releases endorphins in the brain, which are natural mood lifters.

Audience Member 3: I can't wait to try it. Is there any specific type of dark chocolate recommended?

News Anchor: It's best to choose dark chocolate with a high cocoa content, around 70% or higher. The higher the cocoa content, the healthier the chocolate.

Question: What are the benefits of eating dark chocolate according to the news report?

A. It improves memory and problem-solving skills.

B. It is recommended for heart health.

C. It can reduce stress levels.

D. All of the above.
