Duck and Truck

A colorful cartoon-style illustration of a yellow and brown wooden-paneled truck driving from left to right on a dirt road. The truck has black tires with red rims. The background consists of rolling green hills under a bright blue sky with white clouds.

Run, truck, run!

A blurry, low-resolution photograph of a landscape. The foreground is a bright green field, possibly grass or a lawn. In the middle ground, there's a darker green area that could be bushes or a hedge. The background is a clear blue sky with a few wispy white clouds.

Run, duck, run!
