Dear friends, I used to think I was a good singer. But other people told me my singing was bad. Should I stop singing?

Yours,

John

Dear John, that's so cool that you like to sing. I'm a musician, too. I play the drums and guitar. When I first started playing these instruments, I wasn't very good. One time, I even heard my own mother saying that I wasn't a good drummer. It broke my heart. But it also encouraged me to keep going. It's embarrassing to perform poorly. But it's also the best way to learn. Do you know any good singers? You can try singing with them some time. They can give you some advice. I hope you can sing on a stage in front of everyone some day!

Yours,

Mike

Dear John, I love playing soccer, but I'm not good at it. I played so badly that my friends didn't want to pass the ball to me. I was pretty upset, actually. However, I kept practicing every night. Soon, I made progress.

I think you should never give up. Your singing skills won't improve unless you keep on singing. Just enjoy yourself. The fun of singing is not about how well you sing, but how happy you are when you're singing. Also, how about finding some friends who like singing? If you sing together, you will feel better.

Yours,

Dave

38. John thought he did very well in \_\_\_\_\_ in the past.

A. playing instruments B. performing C. playing soccer D. singing

39. How did Dave feel when his friends didn't want to pass the ball to him?

A. Angry. B. Sad. C. Embarrassed. D. Moved.

40. Which of the following is TRUE?

A. The fun of singing is how well you sing when you're singing.

B. If Dave keep on singing, his singing skills will improve.

C. Mike never gave up when his mother said that he wasn't a good drummer.

D. Mike wasn't very good when he first started playing soccer.
