A

When it's hot outside and we have to go out, surely we want to keep cool. We can put on hats, wear light clothing, or stay at a cool place. However, nothing can beat a good fan. Now I'll show you how to make a good DIY (Do It Yourself) paper fan.

What to prepare

Please prepare two pieces of paper. All paper will work, but your DIY fan can be used for a long time with quality (优质的) paper.

Then get glue, two sticks, etc.

How to make a DIY fan

The first step is to draw pictures on the paper. Just draw anything you like. The next step is to fold up (折) the paper. Then glue the two pieces of folded paper together. After that, paint the sticks. The final step is to glue the sticks onto the folded paper. And everything is done.
