# Enjoy music and pay attention to the if-clauses in the lyrics .

If I **were** a boy  
I think I **could understand**  
How it feels to love a girl  
I swear **I'd be** a better man  
**I'd listen** to her  
Cause I know how it hurts  
When you lose the one you wanted  
Cause he's taken you for granted  
And everything you had got destroyed

If I **were** a boy  
I **would turn** off my phone  
Tell everyone its broken  
So they think  
that I was sleeping alone  
**I'd put** myself first  
And make the rules as I go  
Cause I know that she'd be faithful  
Waiting for me to come home (to come home)

**If I were a boy,...**

If you **were** a boy (girl)

What **would** you do?

If I **were** a boy ,  
I **would** ...

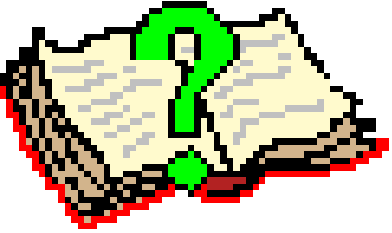

# Subjunctive Mood ( I )

**Liu Wei,  
an armless pianist,  
achieved his dreams  
by great efforts.**

# *Read and discover*

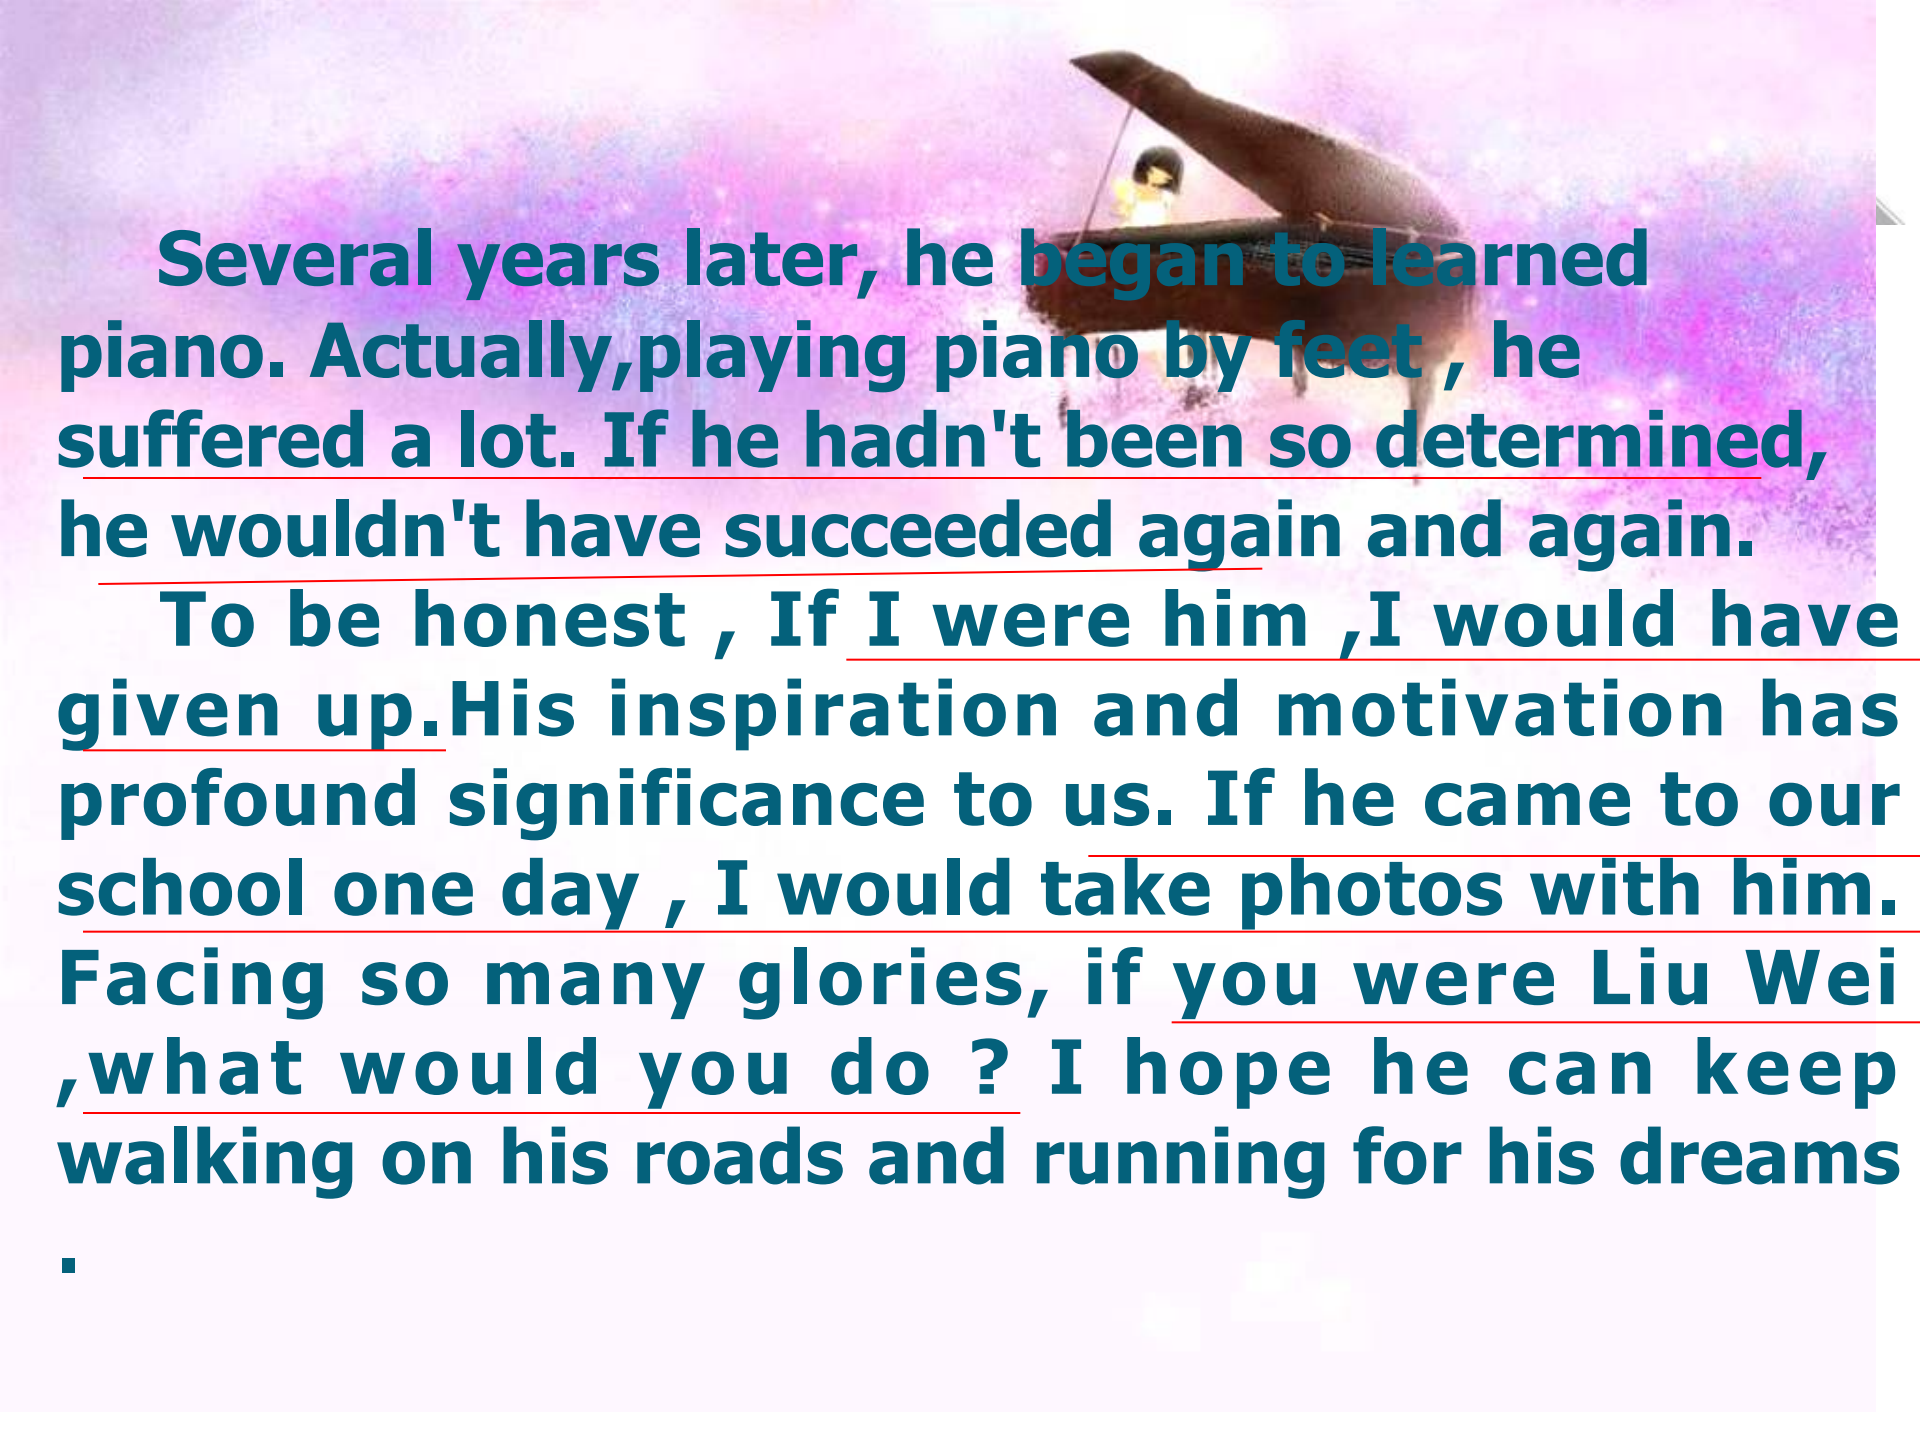

**Read the passage carefully  
and underline the sentences  
using subjunctive mood.**

**Liu Wei, an armless pianist, is really a hero. He lost his arms because of an electric shock at the age of 10. If he had been taken better care of then , he wouldn't have lost his arms . Then he began to exercise his feet. At the beginning of his training ,Some friends advised him to give up. After the hard training of a long time,he can do all kinds of things by his feet. If he had taken his friends advice , he would have achieved nothing . He got two gold medals at National Swimming Championship for the disabled at the age of14**

A person is seen from behind, playing a piano. The background is a vibrant, starry night sky with purple and blue hues. The piano is dark, and the person's hands are visible on the keys. The overall mood is inspirational and artistic.

Several years later, he began to learned piano. Actually, playing piano by feet , he suffered a lot. If he hadn't been so determined, he wouldn't have succeeded again and again.

To be honest , If I were him ,I would have given up.His inspiration and motivation has profound significance to us. If he came to our school one day , I would take photos with him. Facing so many glories, if you were Liu Wei ,what would you do ? I hope he can keep walking on his roads and running for his dreams
