Welcome

Thanks for choosing **MTG3000 Trunk Gateway**! We hope you will make optimum use of this flexible, rich-feature trunk gateway. Please read this document carefully before install the gateway.

About this manual

This manual provides information about the introduction of the gateway and about how to install, configure or use the gateway.
This manual is written with reference to the default configurations of the **MTG3000 Trunk Gateway**.

Intended audience

This manual is aimed primarily at network and system engineers who will install, configure and maintain the gateway.
System engineers are persons who customize the configurations to meet the requirements of users.
Parts of this document are aimed at users who will actually use the gateway.
