From Tenez! to tennis

Tennis first appeared in England and France in the 16th century. It was called royal tennis and only kings and queens played it. It was <u>31</u> indoor sport and playe rs started the game by saying "Tencz!" and that's how it got its name.

Modern tennis appeared <u>32</u> the 1860s. It was first called "Lawn Tennis" and players only played on grass. The <u>33</u> tennis match was at Wimbledon, London in 1877. Nowada ys, players play on other kinds of courts, too.

In the past, players didn't use plastic rackets. They <u>34</u> wooden rackets and they were quite heavy. Men wore pants and shirts and women wore long dresses. The first person to wear shorts at Wimbledon was Bunny Austin in 1933. In the past, players also w orc shoes, <u>35</u> players wear sncakers(胶底运动鞋) nowadays.

Today, tennis is an Olympic sport. It is also part of the Paralympics and athletes play in wheelc hairs.

第二节(共10个小题;每小题1.5分,满分15分)

阅读下面短文,从每题所给的 A、B、C 三个选项中选出可以填入空白处的最佳选项。

Phoebe Snctsinger had just returned from a trip to Alaska when her doctors told her that she had cancer. She had less than a year to live. Phoebe was 50. As soon as she heard the <u>36</u>, she decided to spend the rest of her life doing what she loved most—watching birds.

She immediately went off to some of the world's most amazing natural places. Her <u>37</u> were very hard. But Phoebe surprised her ductors and her family as she carried on travelling. Ayear came and went, and she was still <u>38</u>. She was doing something that she loved and that helped her to be healthy for another ten <u>39</u>.

The cancer came back, but even then Phoebe Snetsinger decided not to <u>40</u>. At the age of 61, when she had see n 7,530 species(物种), she was named "the world's leading bird spotter(观察者)"

In Missouri, Phoebe <u>41</u> a group of people who were interested in birds and plants around the Mississippi River. She became very worried about <u>42</u> and its bad influence on the environment. "We have to protect nature," she said. "If we don't, people won't be able to enjoy <u>43</u> these beautiful birds in the future."

Sadly, when Phoebe was 68, she died in a car accident. Four years later, the American Birding Association __44__ her memoirs(回忆录), Birding onBorrowed Time. Many people have enjoyed reading this __45__ book. It isn't just a story a bout a bird spotter's travels, but a touching human record of how her hobby helpe d her to live much longer than expected.

A. 7. 5 hours. B. 8 hours. C. 9 hours.

49. We can most probably read the text from _

A. a science website B. a travel magazine

C. a school notice-board

贵州省 2024 年初中学业水平考试(中考) 英语其他市、州卷 第 4 页(共 8 页)

Some people are worried about the effect that social media has on the lives of young peopl e. The following text was written by a reporter. He tried to find out whether social media has a positive or negative effect on children.

Social media websites are communities where users can share photos and talk to each They are very popular—millio other online. ns of people use social media every day. Althou gh some people think social media is a positive thing, many are worried about the negative effect s it can have on young people.

James. a 15-year-old student, thinks that social media has many benefits. "I get very nervous when I talk to people in real life—I find it so much casier to express myself when I usc social media. Another advantage is that I hardly ever forget anyone's birthday now becau se I can look it up online!" Lots of users agre e that social media helps young people stay con nected to their friends and make new friends from around the world.

However, social media also has many pro blems. Social media may help young people find friends, but it also makes it easier for bull ies to hurt them. Some parents believe that soci al media makes it harder for families to spend time together. They say their children are so crazy about social media that they ignore (忽视) the rest of their family. Many teachers think so cial media can distract (使某人分心) their stude nts from schoolwork.

There is no doubt that social media has so me problems, and it is very important to avoid spending too much time online. However, gene rally speaking, social media can be a positive thing for young people. It is a way for nervou s people to make friends, and for young people to stay connected.

- 50. What does the underlined word "They" in Paragraph I refer to?
 - A. The photos shared online. B. The social media users. C. The social media websites.
- 51. What does James think of social media?
 - A. It makes him ignore his family.
 - B. It distracts him from schoolwork.
 - C. It helps him express himself better.
- 52. Which is the corict structure of this text? $(P_1=Paragraph 1)$

- 53. Which can be the best title for the text?
 - A. Why Is Social Media So Popular?
 - B. Is Social Media Really a Problem?
 - C. What Is the Future of Social Media?

 \mathbf{C}

Do you speak a dialect(方言) in daily life? While many Chinese people speak putonghua, some local dialects are in danger of disappearing(消失). To save them, the Chinese government started the Chi

Lunguage Resources Protection Project (中国语言资源保护工程)a few years

This project looks at how people talk in 1,712 places. Their languages include 103 dialects that are almost gone. It has helpedChina to build the lar gest language resource library in the world. There's an online library where people can lear n dialects from over 5. 6 million audio clips and over 5 million videos.

贵州省 2024 年初中学业水平考试(中考) 英语其他市、州卷第 5 页(共 8 页)

cultures. Language clearly shows the history and beliefs of an area, he said. Scholar Zhang Hongming talked about his concerns about the disuppearing of dialects. "For about over 10 years, in the Wu dialect areas such as Shanghai and Suzhou, children aged 6to 15 can under stand but hardly speak the dialect. Young people above 15 years old sometimes speak it, but not very well. If this keeps happening, the dialect might disappear, "he said. So how did China make this big library? A big national effort has been put into the project to make it happen, said Cao Zhiyun, an expert on the project. Over five years, more than 350universities and research groups joined in, along with over 4,500 experts and mo rc than 6,000dialect speakers. The project is now entering into its second part. This includes creating digital (数字化的)tools like apps and mobile dictionaries to help people lear n dialects. 54. The Chinese Language Resources Protection Project was started A. to create digital tools B. to store local cultures C. to save local dialects 55. Which sentence can be put in A. Why is it important to protect the dialect culture? B. How can we make good use of the dialect culture? C. What are people doing to spread the dialect culture? 56. What does the underlined word "concerns" in Paragraph 4 mean? A. Worrics. B. Doubts. C. Suggestions. 57. The writer shows China's efforts on the project in Paragraph 5 C. by explaining reasons B. by listing numbers A. by comparing ideas 第二节(共5个小题;每小题2分,满分10分) 阅读下面短文,从短文后框内选项中选出可以填入空白处的最佳选项。选项中有一项为多余选项。 Asking for advice is not so easy. In a recent study, 74 percent of people said they were afraid to ask for advice. But people who ask for advice are more likely to succeed at a task. So how do you ask for advice? 58 • Look for the best person to give you advice. It might be easy to ask all your friends on social media for advice at once, but will you value all the advice equally (同等地)? 59 It might be better to choose one or two people whose opinions you value most. Ideally (最理想的是). you can ask for advic e from people who have experience in the topic you're asking about. • Provide enough information clearly. For example, imagine you can't decide how to organize a club activity. When you ask for advice, you should mention the topic. the place and the time. 60 I f your questions require a lot of thought, you should ask the person for advice when he or she is clearheaded. ● Be specific (具体的) when you ask questions. Imagine you want to own a business someday. Do you ask a business owner, "__61__" No, because it's not specific enough. Instead, try asking, "Wha t college classes did you find helpful for starting a business?"

According to Harold Palmer, a world expert on language, dialects are a key to store local

 \bullet <u>62</u> If you can't solve your problem by following the first person's advice, why not ask so meone else who may think differently? The key is: Don't be afraid to ask for advice.

- A. Probably not.
- B. The answer is yes!
- C. Here are some ways for you.
- D. What advice do you have for me?
- E. You should also consider when to ask.
- F. Sometimes you may need to ask for a second opinion.

第三节(共5个小题;每小题2分,满分10分)

阅读下面短文,根据其内容填空和回答问题。(63 至 66 题每题答案不超过 3 个单词,67 题须用完整句子回答。)

She makes the world hear the "voice of China"

Zheng Xiaohui is a Chinese student in Milan, Italy. To spread traditional Chinese culture to the world. she has given lots of erhu shows on the street.

Zheng has been playing the erhu since she was 9. and she has won prizes in many national music competitions. Zheng arrived in I taly in 2021. Since April 2023, she has been performing on the stre et during her free time. And now she does three or four street show s a month.

At first, Zheng did not plan to perform on the street. But after watching a video of a violinist's street performance, she changed her mind.

Thinking back to her first street performance, she said she was worried at the time. But the en thusiastic response (热情的回应) from the audience (观众) cheered her up. "When I playedGoodbye, my friend. a grandfather started to dance. Many people in the audience followed him. Even I could not help dancing along with them," Zheng said.

After performing a few times, Zheng began sharing videos of her street shows on theInternet. And these videos soon became popular online. Zheng says she wants to show the beauty of Chinese erhu to the world. "I believe that Chinese music has built a bridge for cultural communication," s he says.

Talking about the future. Zheng looks forward to it. She says whatever she does and wherever she lives, she will bring her erhu with her. "I hope to hold my own special concert in the future to make more people learn about Chinese folk music. "she says.

| 63. Zheng Xiaohui spreads to the world by playing the erhu. |
|--|
| 64. Now Zheng performs times on the street in Milan every month. |
| 65. Zheng by the audience during her first street performance. |
| 66. The last paragraph mainly talks about |
| 67. Do you like Zheng's story? Why or why not? |
| 第四部分 语言运用(共两节,满分 25 分) |

【答案】例文

The Change Made Me Better

There are many things in our life that can help us to be better. In my opinion, I think my chang es have made me better.

I used to be weak because of my bad habits. After communicating with my teacher, I ate regularly every day and took exercise often, so I am strong now. What's more, I was so careless that I made m any mistakes in my exams. My teacher advised me to check my answers carefully and develop good lear ning habits.

These good changes made me feel better and br ave enough to face new challenges.
