TAQA

Table of Contents

01 Overview

Global natural gas reserves breakdown by region 1960-2023	
Global renewable energy consumption 2023, by region	
Global hydropower production by region 2022	
Per capita energy investment worldwide 2023, by region	
Installed renewable energy capacity MENA 2023, by country	
CO ₂ emissions from power generation in the Middle East 2021-2026	
Leading utilities brands based on value Middle East 2023	

02 Regional players

Total revenue DEWA 2019-2023	
Total assets of DEWA Dubai 2019-2023	
Installed power generation capacity of DEWA UAE 2014-2023	
Installed capacity of water desalination plants DEWA UAE 2014-2023	
Operating revenue of Saudi Electricity Company 2018-2023	
Total assets of Saudi Electricity Company 2018-2023	
Electricity generation capacity of Saudi Electricity Company 2019-2023	
GHG emission intensity of Saudi Electricity Company 2018-2022	

03 Overview of Taqa

Share of water desalination capacity TAQA 2023, by technology	
---	--

	Share of TAQA energy generation capacity 2023, by type	21
<u>03</u>	Share of energy production TAQA 2023, by source	22
<u>04</u>	Share of energy production from natural gas TAQA 2019-2023	23
<u>05</u>	Greenhouse gasses (GHG) emissions TAQA 2019-2023	24
<u>06</u>	Greenhouse gasses (GHG) emissions factor TAQA 2019-2023	25
<u>07</u>		
<u>08</u>	04 Taqa financials	
<u>09</u>	Total equity of TAQA 2021-2023	27
	Adjusted EBITDA TAQA 2023, by segment	28
	Revenue breakdown of energy transmission and distribution TAQA 2022-2023, by company	29
<u>11</u>	Revenue of TAQA 2021-2023	30
<u>12</u>	Total assets of TAQA 2021-2023	31

CHAPTER 01

Overview

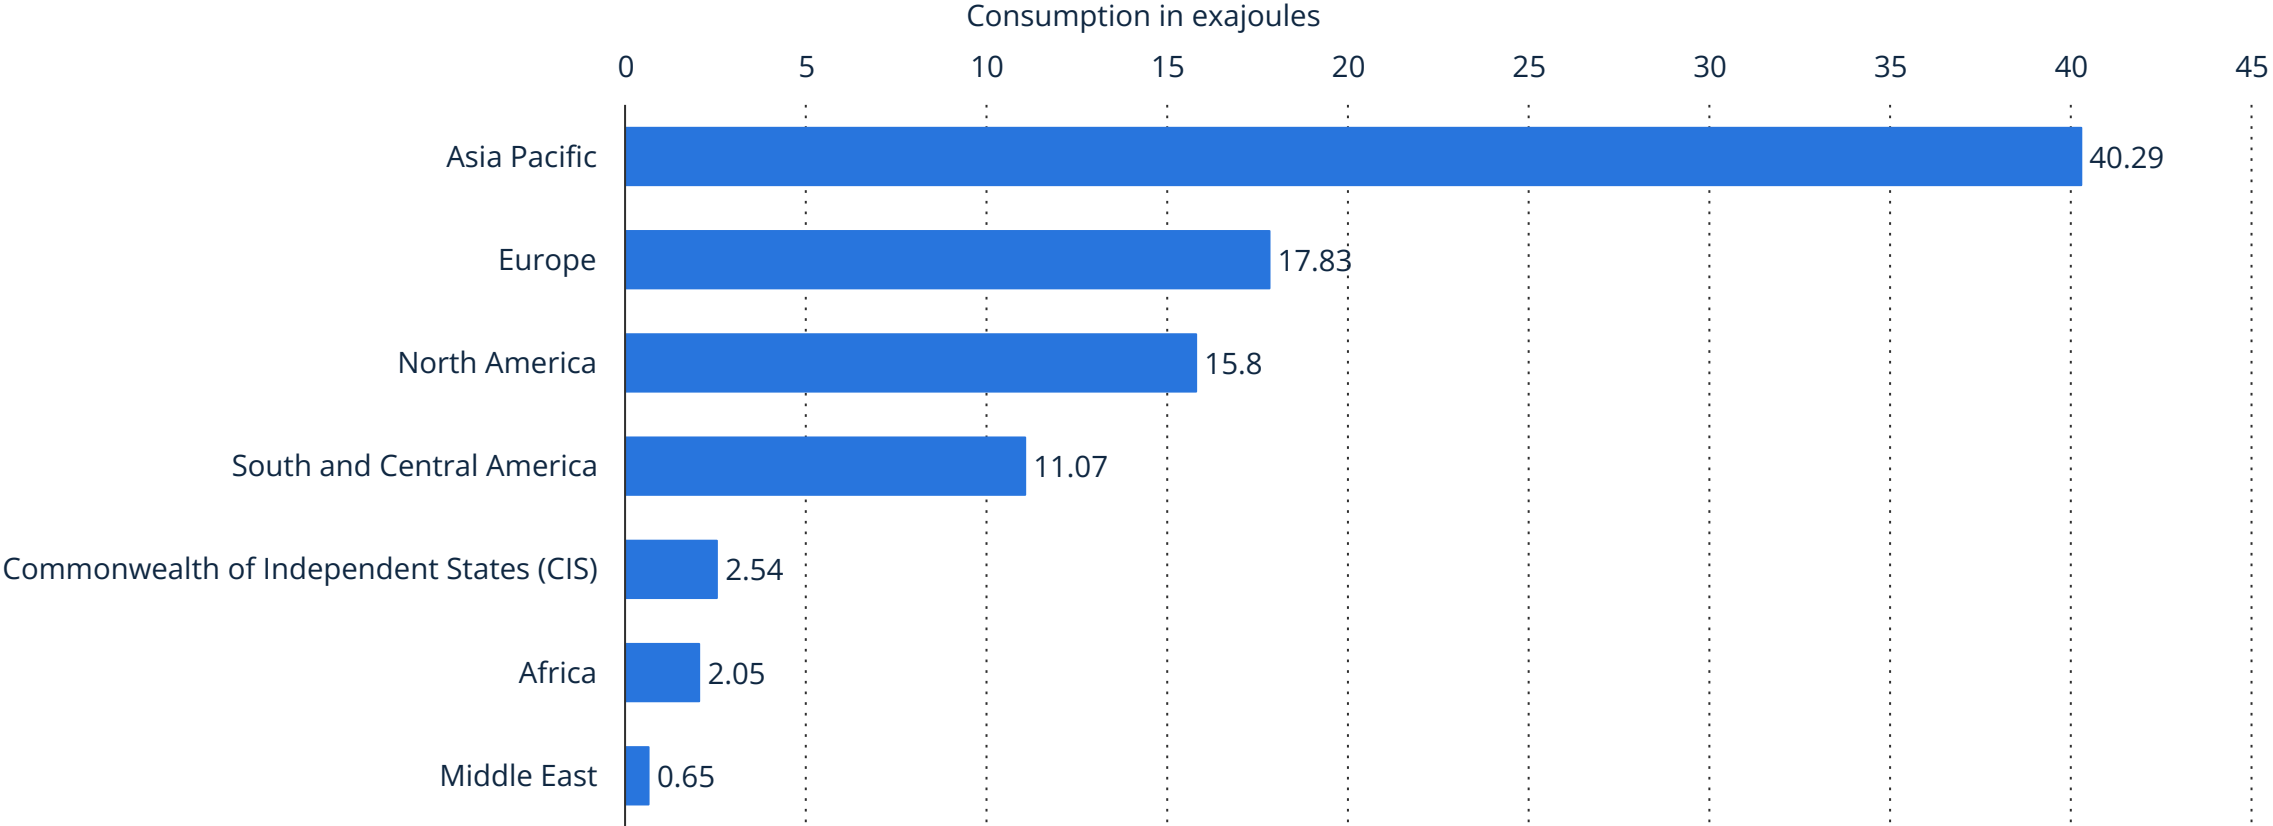

Distribution of proved natural gas reserves worldwide in 1960 and 2023, by region

Global natural gas reserves breakdown by region 1960-2023

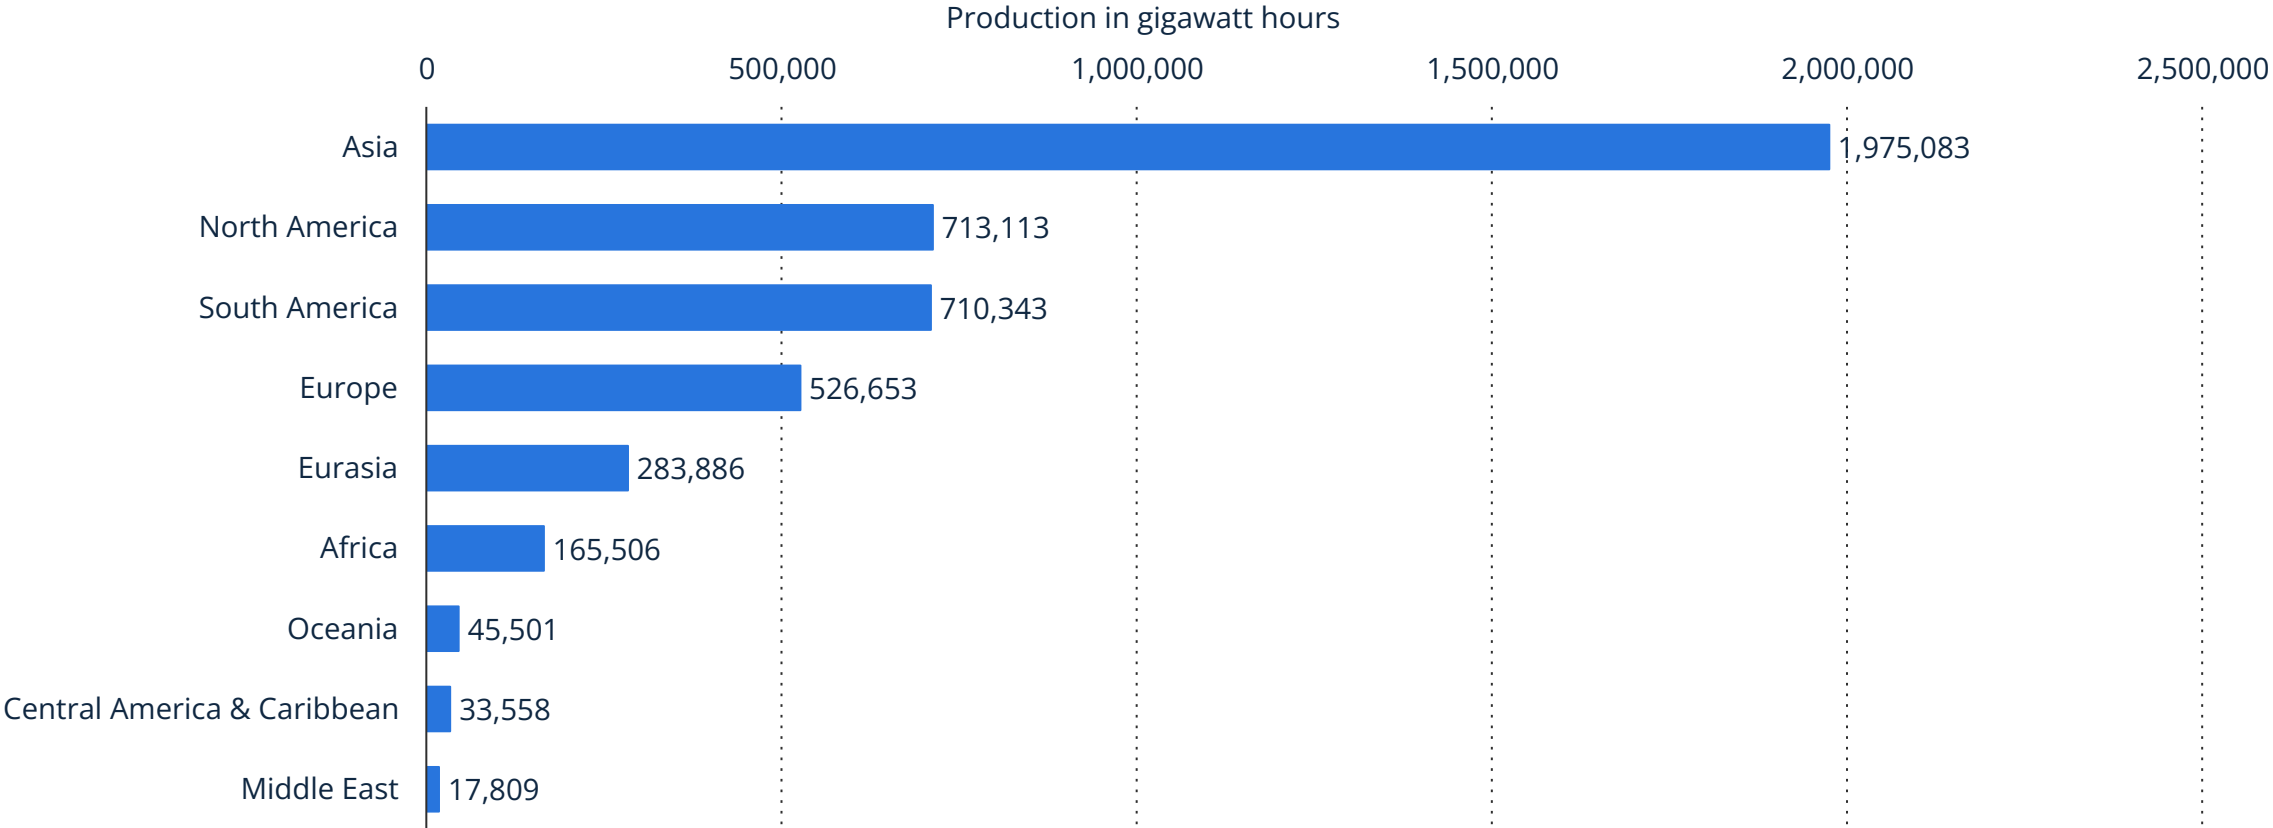

Renewable energy consumption worldwide in 2023, by region (in exajoules)

Global renewable energy consumption 2023, by region

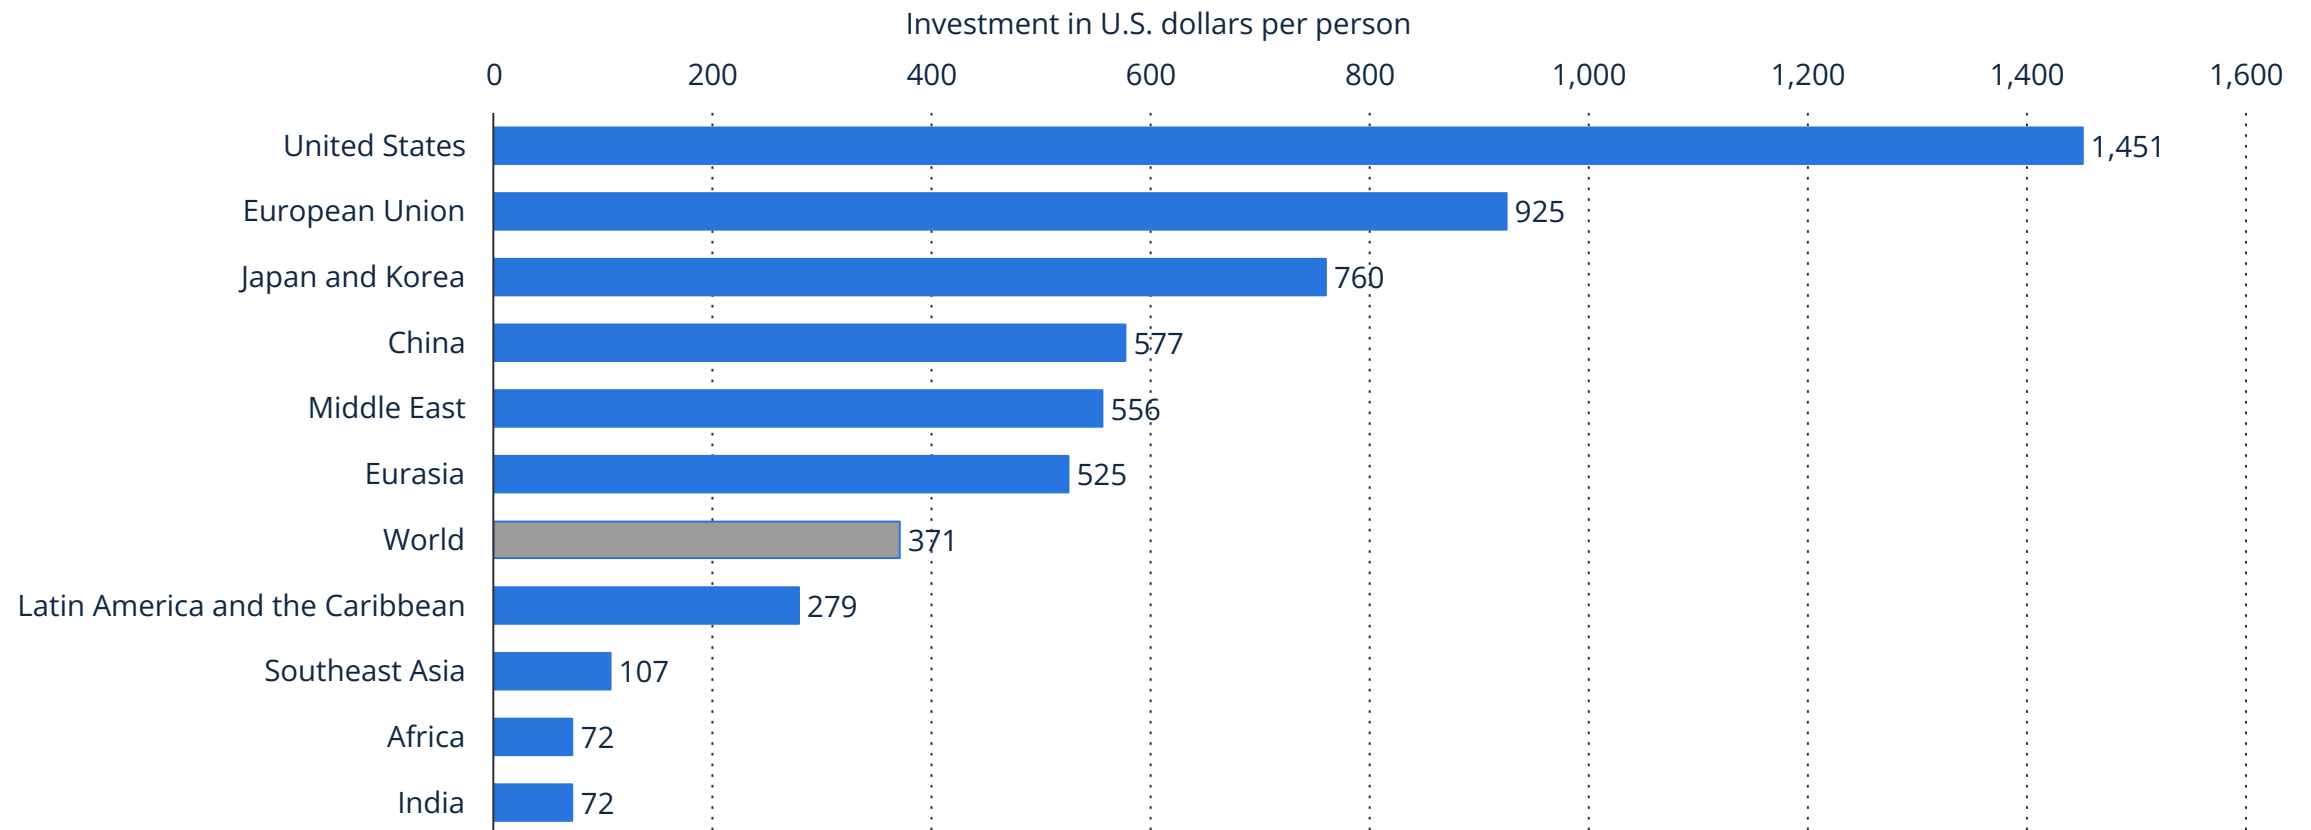

Hydroelectric production worldwide in 2022, by region (in gigawatt hours)

Global hydropower production by region 2022

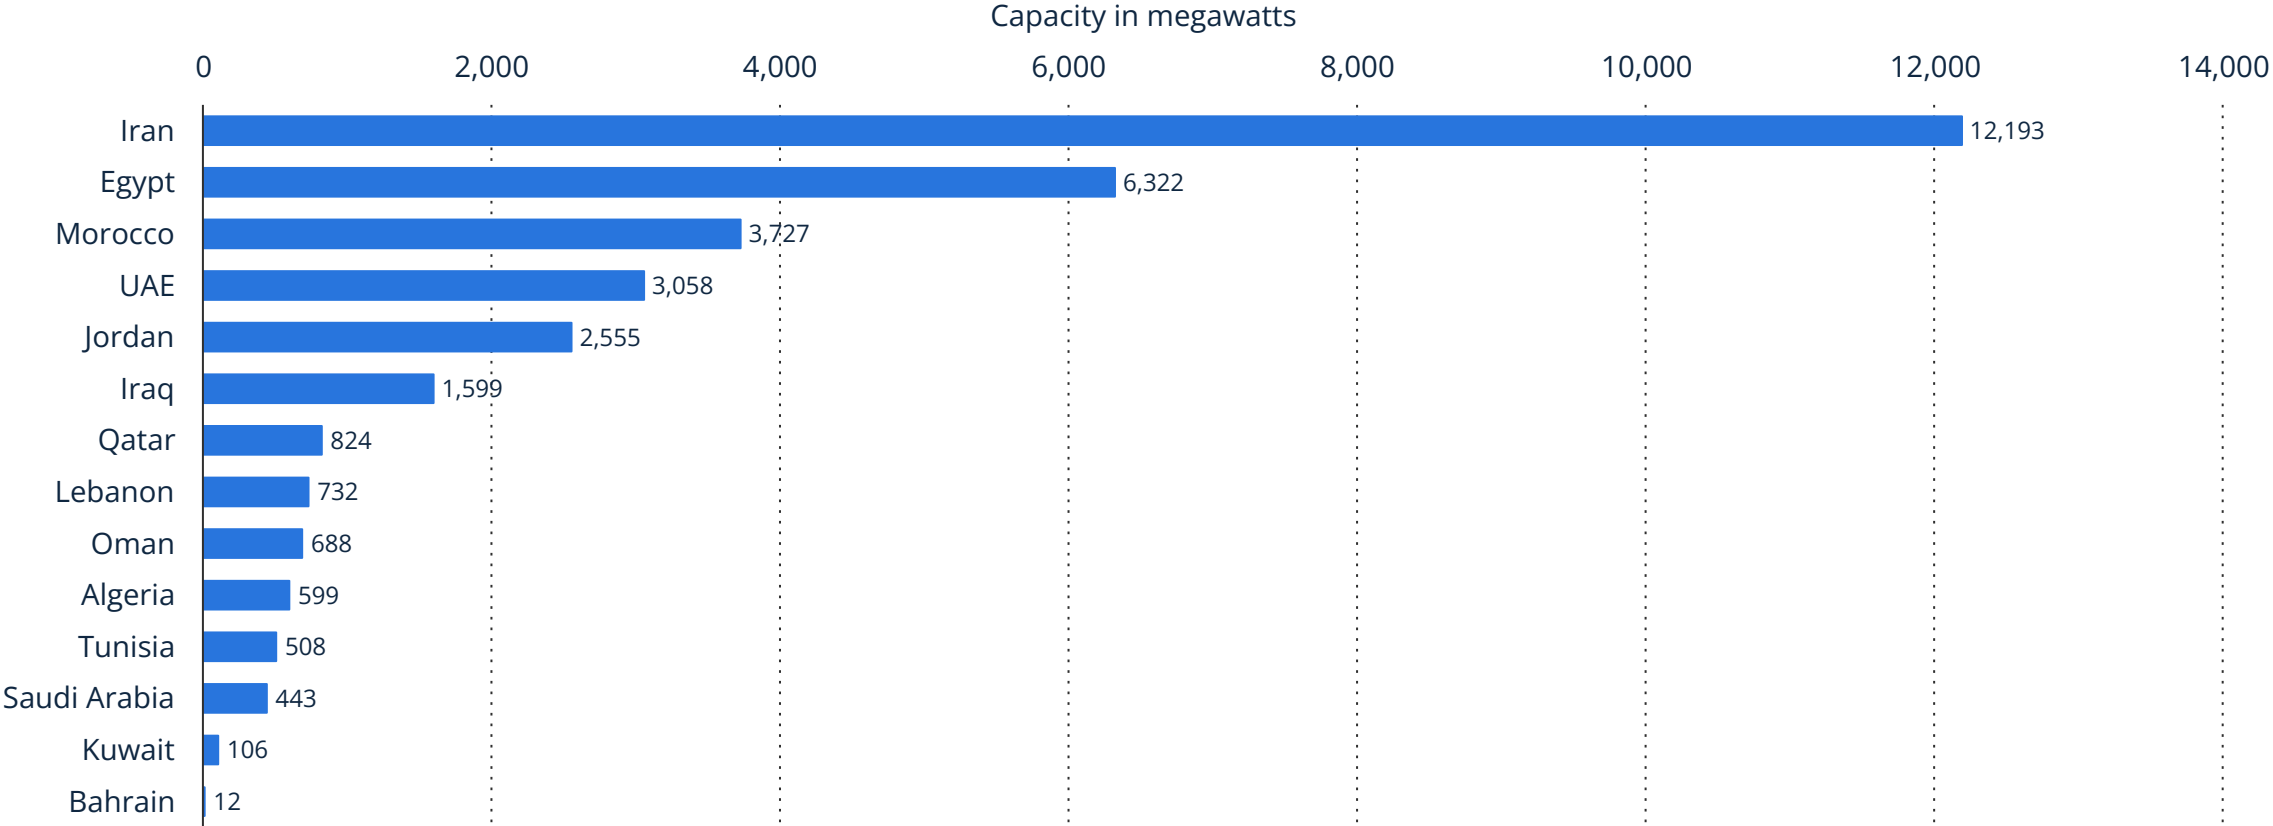

Value of energy investment worldwide in 2023, by leading country or region (in U.S. dollars per person)

Per capita energy investment worldwide 2023, by region

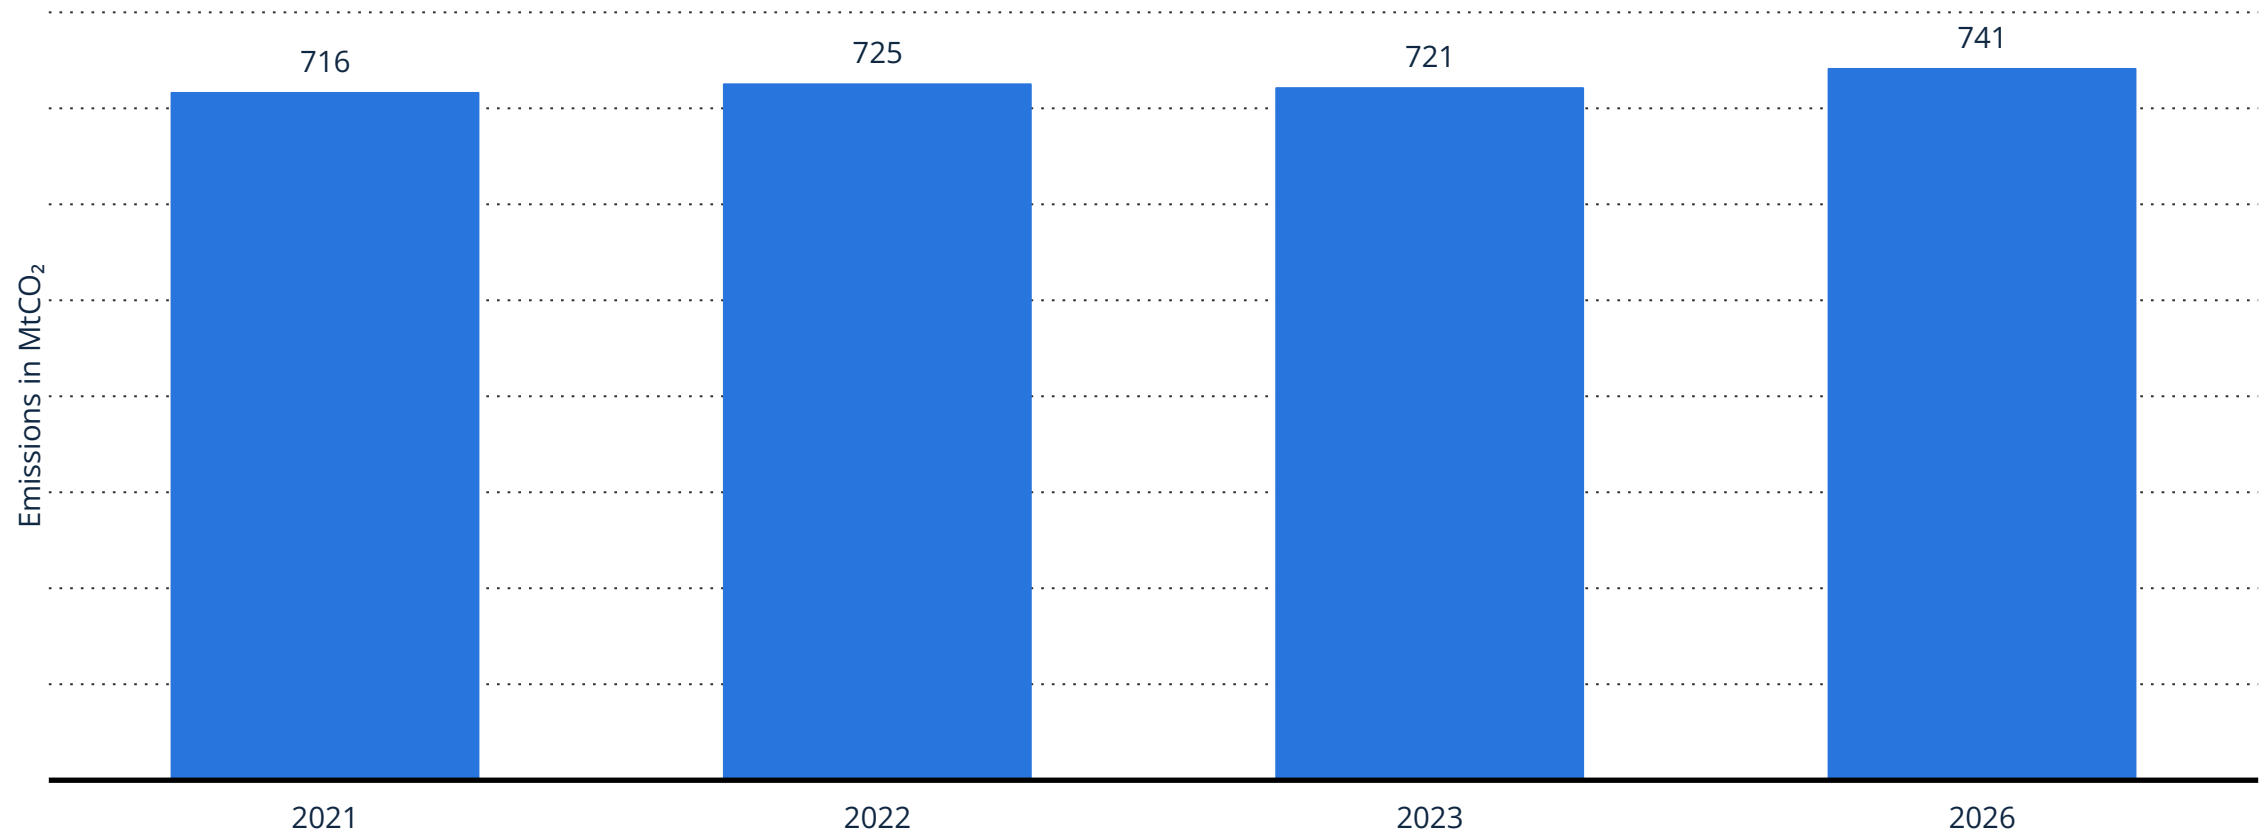

Installed renewable energy capacity in the Middle East and North Africa region in 2023, by country (in megawatts)

Installed renewable energy capacity MENA 2023, by country

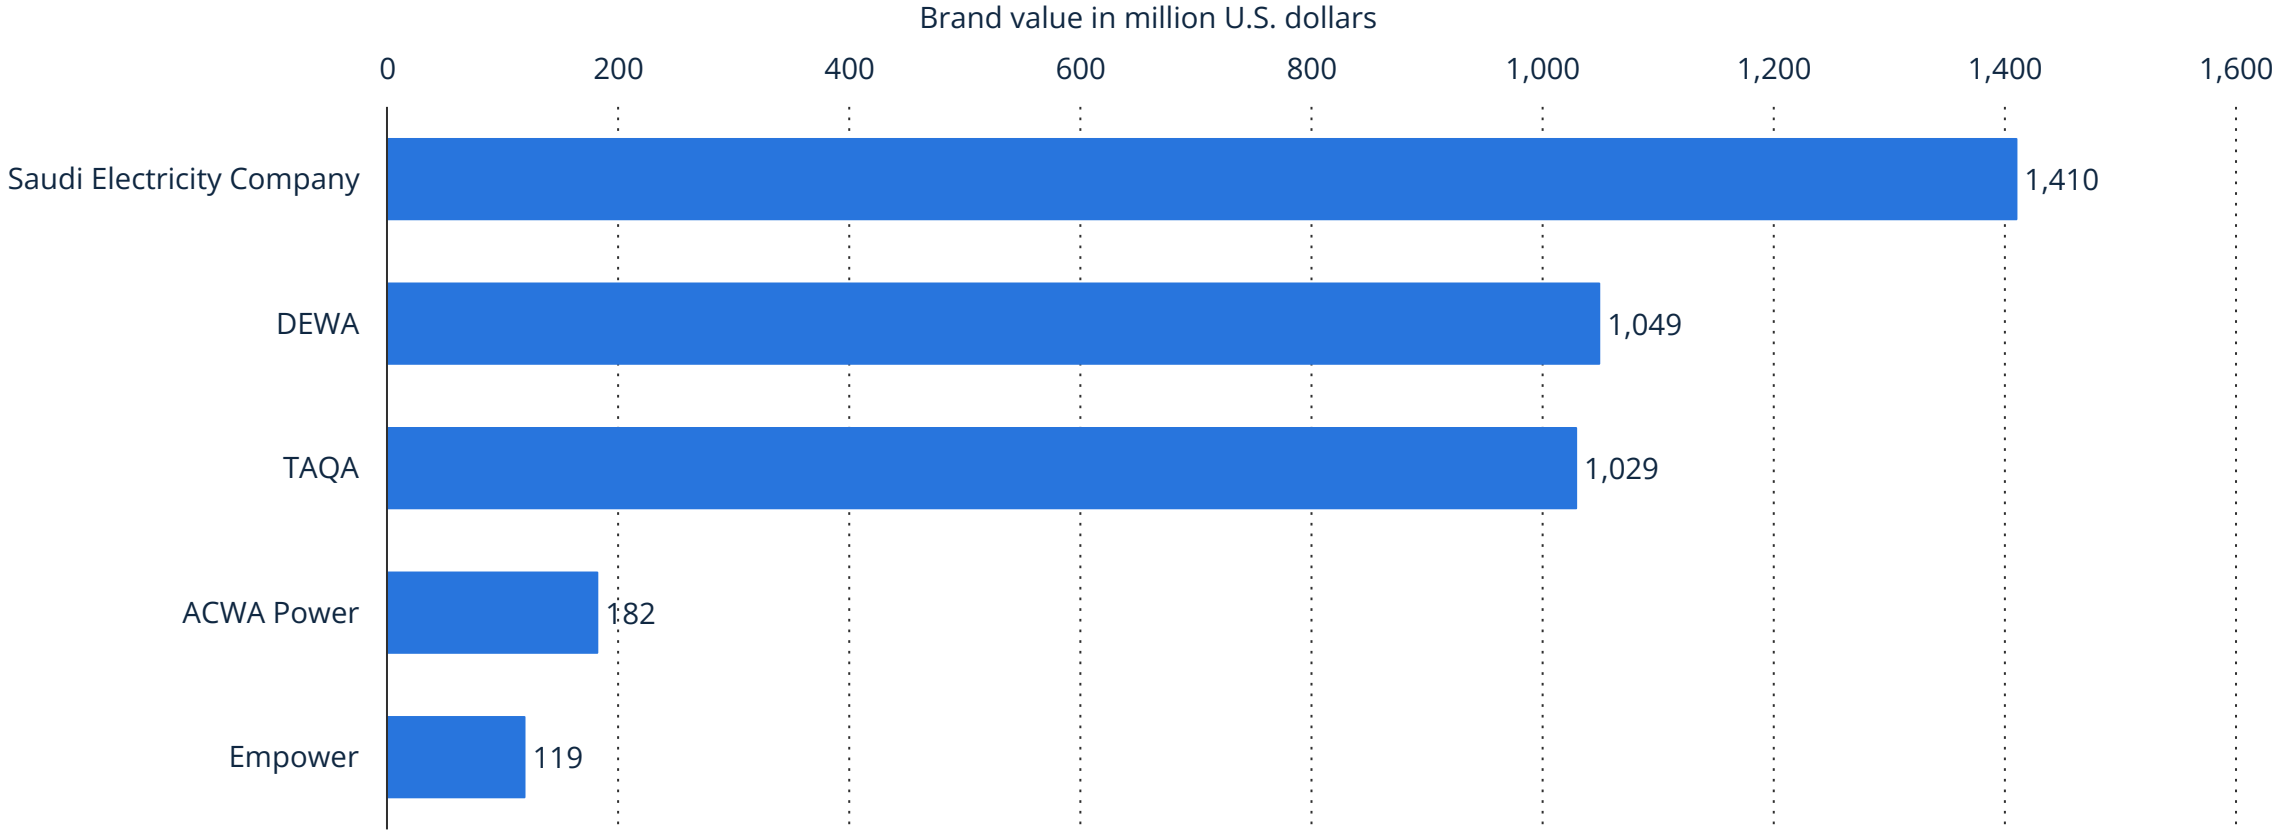

Carbon dioxide (CO₂) emissions from electricity supply in the Middle East from 2021 to 2023, with a forecast for 2026 (in million metric tons of carbon dioxide equivalent)

CO₂ emissions from power generation in the Middle East 2021-2026

Leading utilities brands based on brand value in the Middle East in 2023 (in million U.S. dollars)

Leading utilities brands based on value Middle East 2023

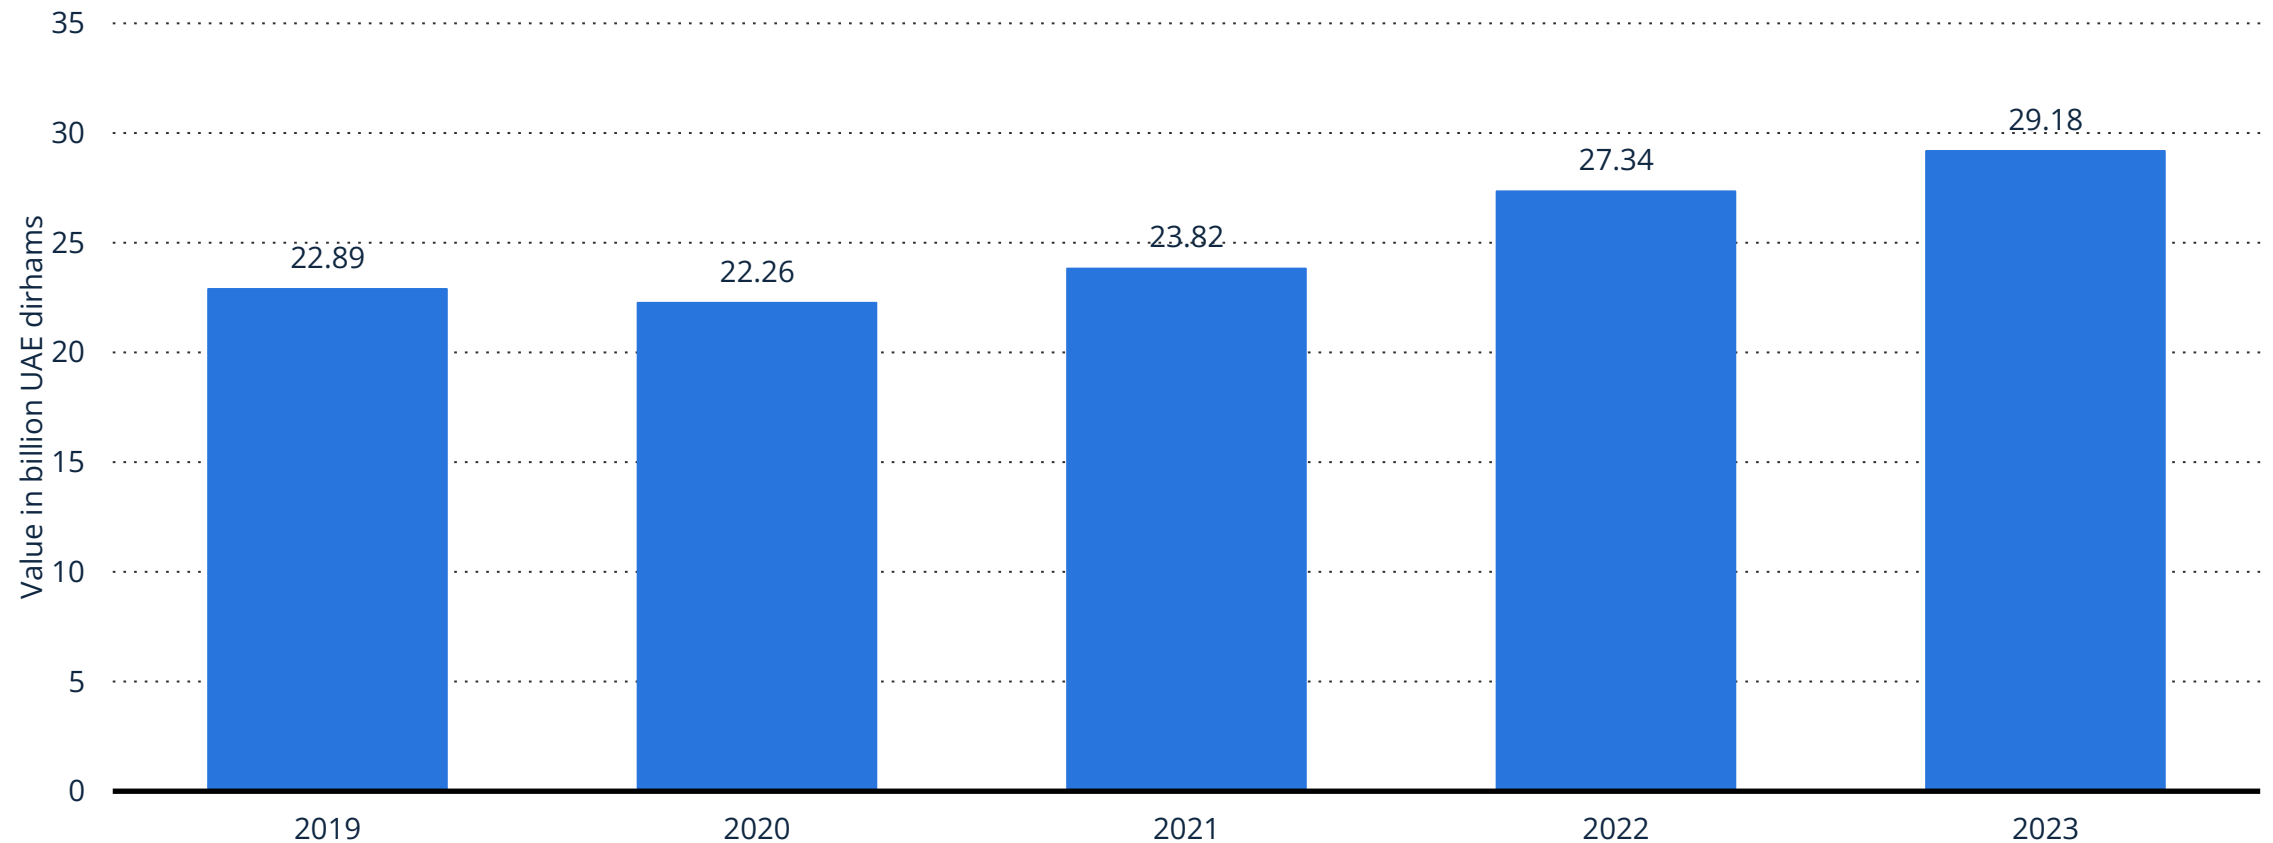

CHAPTER 02

Regional players

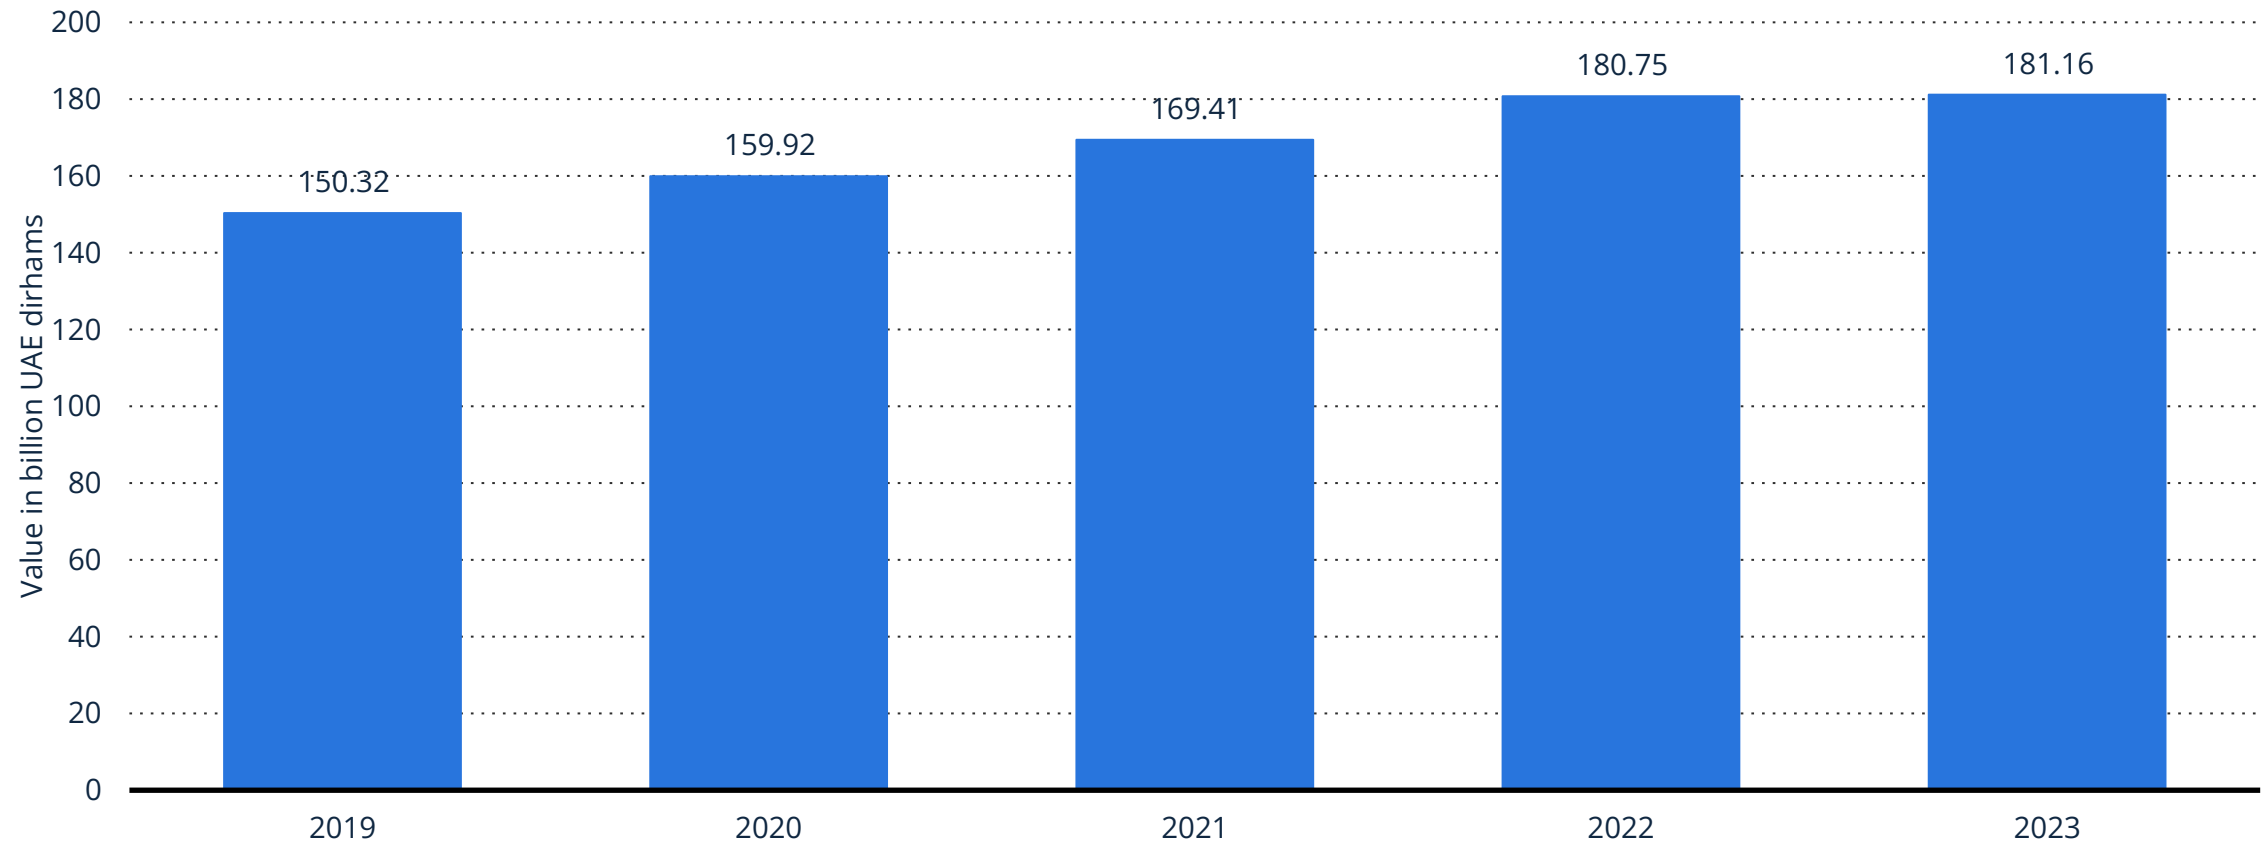

Total revenue of Dubai Electricity and Water Authority PJSC from 2019 to 2023 (in billion UAE dirhams)

Total revenue DEWA 2019-2023

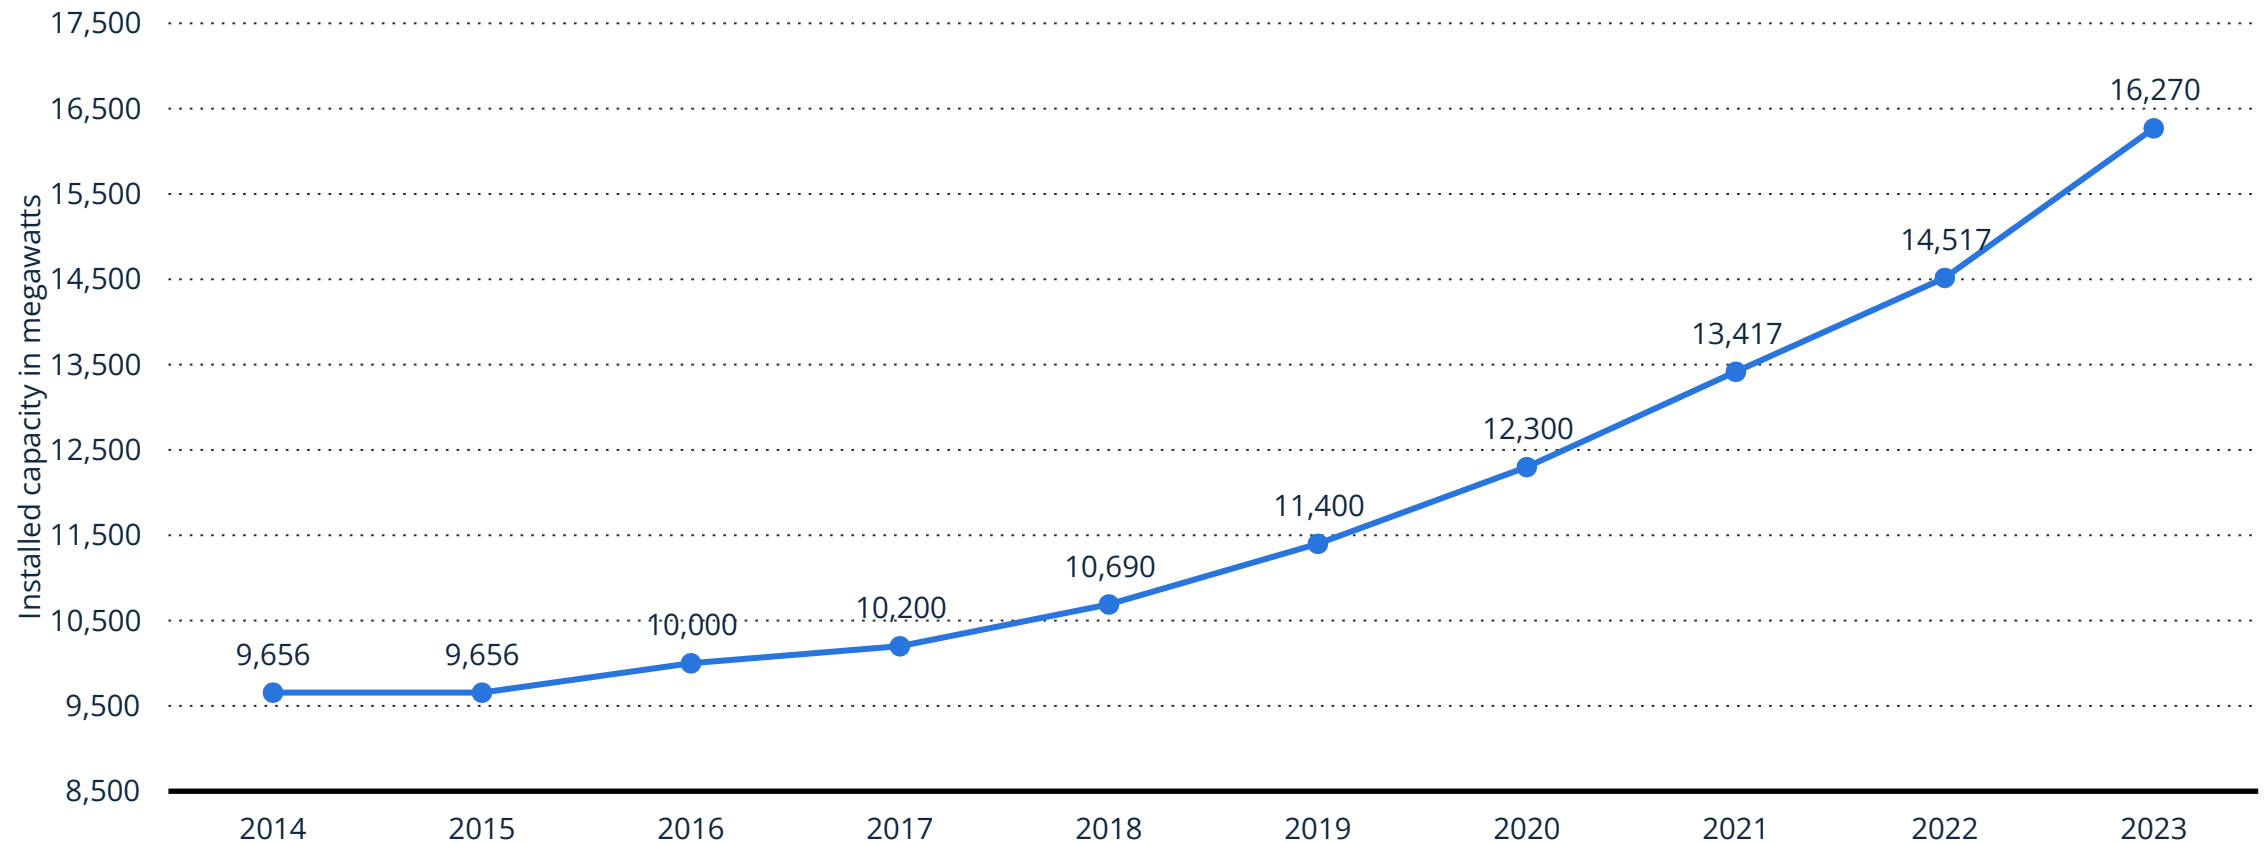

Total assets of Dubai Electricity and Water Authority PJSC from 2019 to 2023 (in billion UAE dirhams)

Total assets of DEWA Dubai 2019-2023

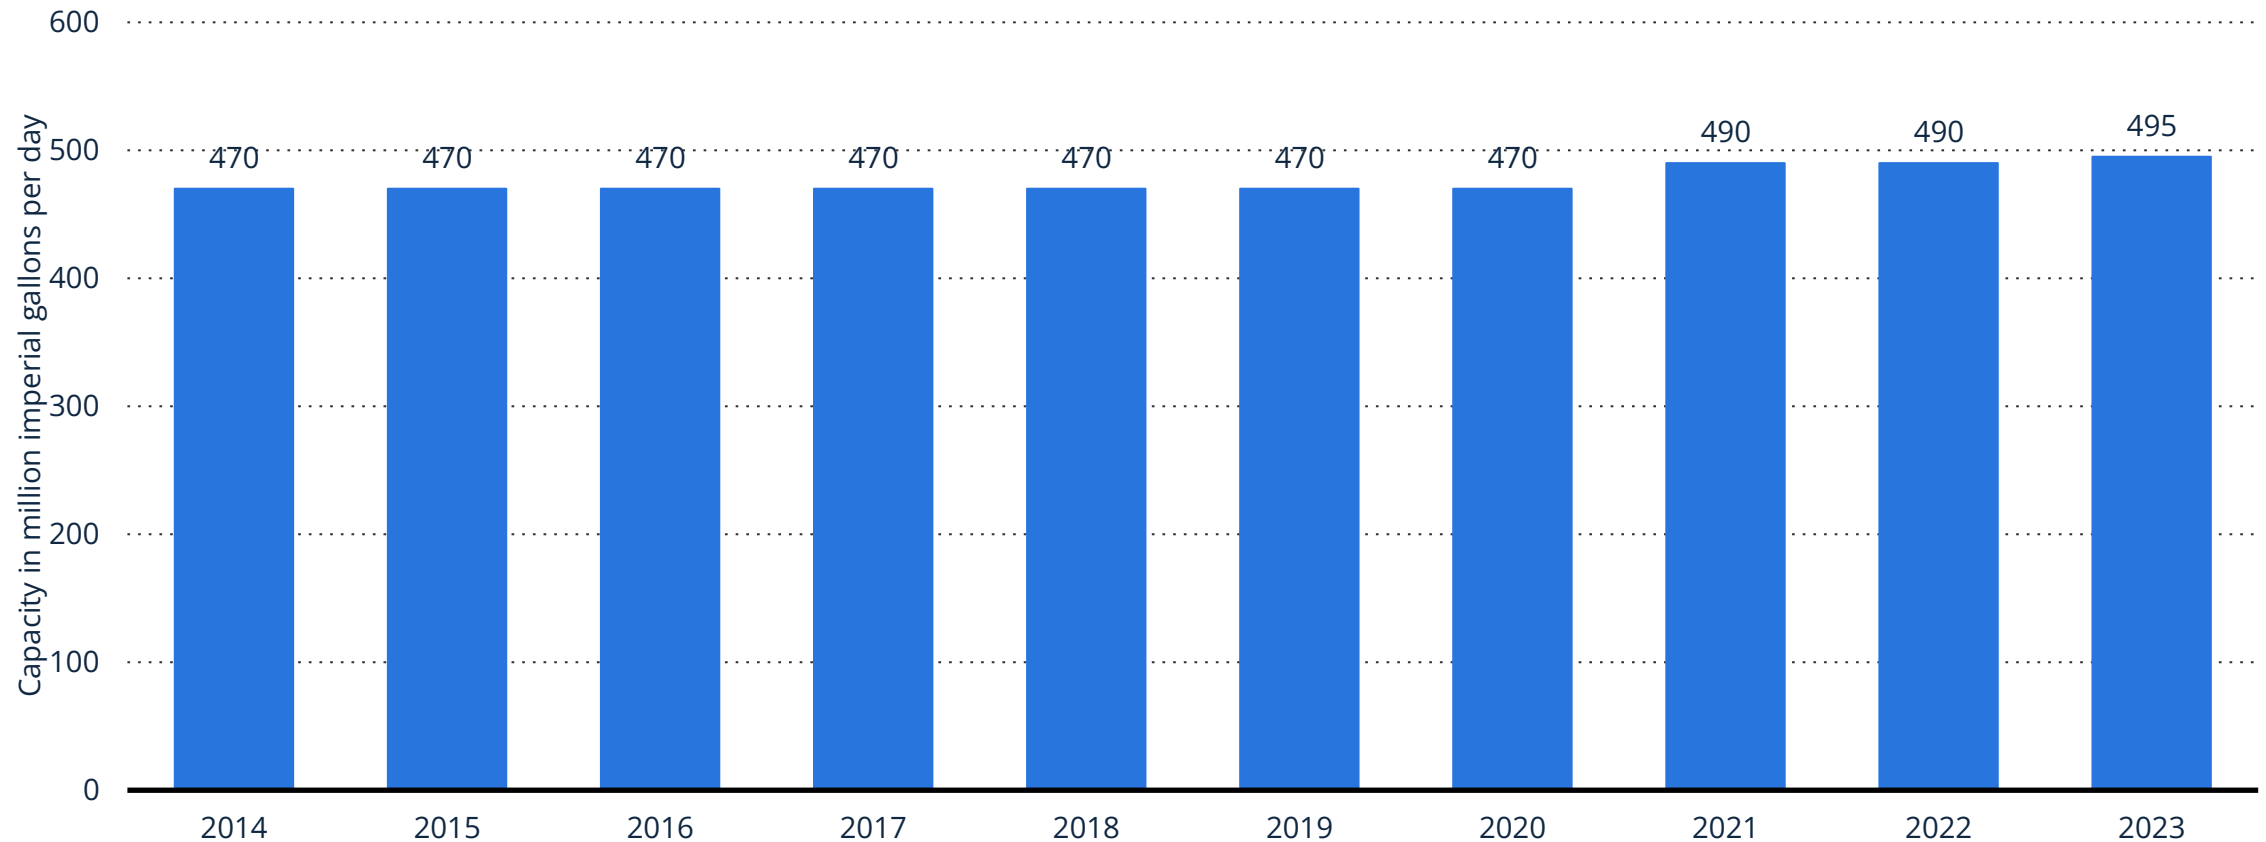

Installed power generation capacity of Dubai Electricity and Water Authority in the United Arab Emirates from 2014 to 2023 (in megawatts)

Installed power generation capacity of DEWA UAE 2014-2023

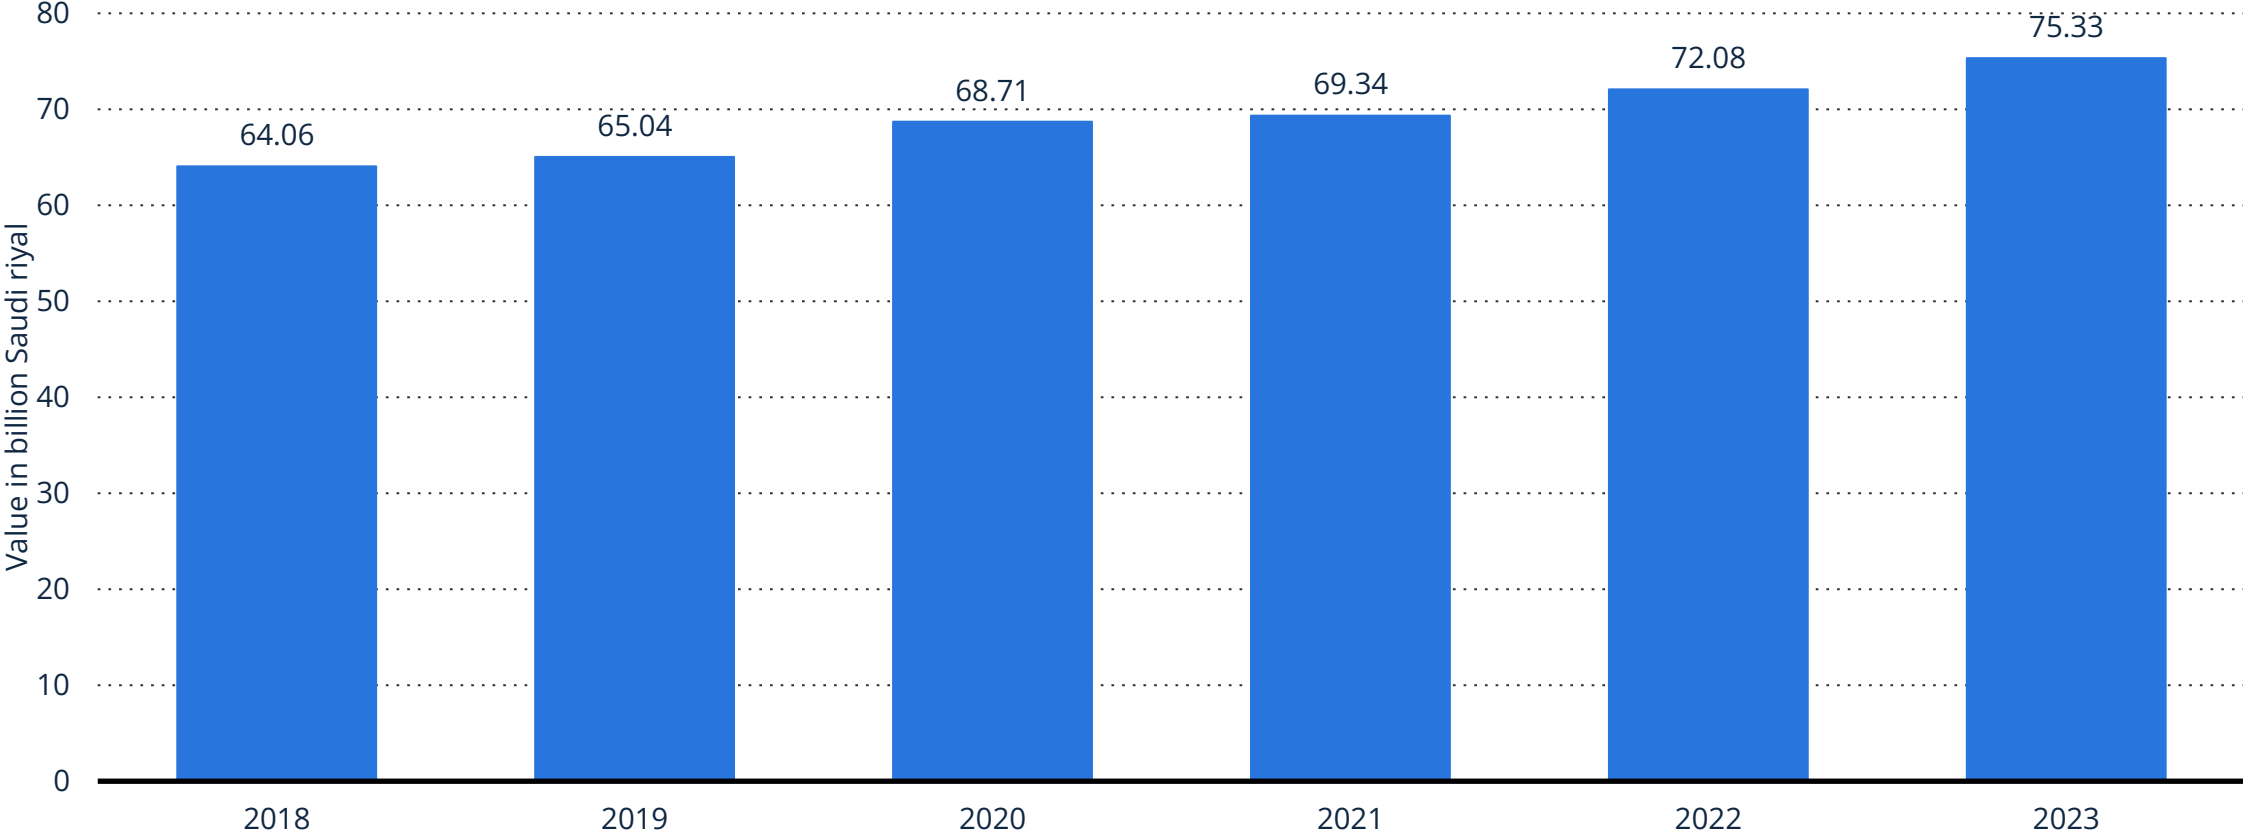

Installed capacity of water desalination plants of Dubai Electricity and Water Authority in the United Arab Emirates from 2014 to 2023 (in million imperial gallons per day)

Installed capacity of water desalination plants DEWA UAE 2014-2023

Operating revenue of Saudi Electricity Company from 2018 to 2023 (in billion Saudi riyal)

Operating revenue of Saudi Electricity Company 2018-2023
