## 2. Careful reading (精读)

2c Read the story after the tape carefully and answer the questions.

**Work in groups. Each person only answer one question in your group. Then exchange the answers in your group after reading.**

# Check the answers

## 1. Why did Peter feel angry and worried?

**Because he was angry with himself for missing an important goal and letting his team down. He was worried that his coach may kick him off the team.**

**2. What kind of advice did Peter's father offer him?**

**Peter's father advised him not to be too hard on himself but to learn how to communicate with his teammates and learn from his mistake.**

**3. Do you agree with Peter's father? Why or why not?**

**Yes, it is no point crying over spilled milk. It is more meaningful to learn from one's mistakes and do better in the future.**

**4. What happened after Peter told his teammates that he was sorry?**

**His teammates asked him not to worry about what had happened as it was not just one person's fault. They agreed that they should work together to think how they could do better in the future.**

**5. Why did Peter think that he was on a winning team even though they lost the last game?**

**Because it was a team with good team spirit that would help them achieve success in the future.**
